

**LIST OF FIGURE**

	<i>Page</i>
Fig 2.1. The figure of thermal equilibrium	23
Fig 2.2. the figure of chemical equilibrium concept	24
Fig 2.3. The figure of final concentration of chemical equilibrium	25
Fig 2.4. The figure of reaction of Le Chatelier principle	26
Fig 2.5. The figure of disruption and restoration of chemical equilibrium reaction	27
Fig 4.1. The comparison of average percentage of books	47
Fig 4.2. The application of development learning material using software	48
Fig 4.3. The integration of module innovation	48
Fig 4.4. The innovation that used internet as a media for learn.	49
