

ACKNOWLEDGEMENT

First and foremost, the greatest praise and thankfulness to the Almighty Jesus Christ for His grace, merciful and blessing who always give strength, spirit, health, joy and everything in helping and finishing the author to finish this thesis well.

This thesis “The Development of Interactive and Innovative Chemistry Learning Material on The Teaching of Electrochemistry” had been arranged as the requirement to get the Degree of Sarjana Pendidikan in Department of Chemistry, Faculty of Mathematics and Natural Science in The State University of Medan.

In this opportunity, I would like to express the great appreciation to my supervisor Prof. Drs. Manihar Situmorang, M.Sc., Ph.D, who has supported me though out my thesis with his patiently and knowledge during the finishing process of my thesis. My deepest gratitude is also to Drs. Wesley Hutabarat, M.Sc, Drs. Jamalum Purba, M.Si, and Drs. Eddyanto, Ph.D as my examiner and also to Drs. Rahmat Nauli, M.Si as my academic supervisor. Also my gratitude to Prof. Dr. Retno Dwi Suyanti, M.Si, Prof. Dr. Ramlan Silaban, M.Si, Dr. Zainuddin Muchtar, M.Si, and Drs. Eddyanto, Ph.D, as the validator of the interactive and innovative chemistry learning material on the topic of electrochemistry. By their comment, correction, advices, guidance, and suggestion this theis had been completely arranged.

Then, I would like to thank to Prof. Drs. Motlan, M.Sc, Ph.D as the Dean of Faculty of Mathematics and Natural Sciences, to Prof. Dr. rer. nat. Binari Manurung, M.Si as the Coordinator of Bilingual Study Program, to Dr. Iis Siti Jahro as the Secretary of Bilingual Program, to Agus Kembaren, S.Si, M.Si as the Head of Chemistry Department, to Drs. Ani Sutiani, M.Si as the Head of Chemistry Education Program, to Drs. Marudut Sinaga, M.Si as the Head of Chemistry Laboratory and all the staff of chemistry department such as sister Tya, Minda and brother Nizam. And also to Sir Syamsudin or usually called as “Pak Sam” as Bilingual Staff. My thankful also to Bilingual Chemistry Class 2013 and

Bilingual Chemistry Class 2014 as my sample that help to standarization the learning material.

I would like to express my hear-felt gratitude from the deepest of my heart to my beloved parents, my greatest father T. Siringoringo, and to the most beautiful and greatest woman, my mother D. Simatupang for their supports, love, pray, motivation and careness and, to my beautiful sisters Meryana Siringoringo, Amd and my handsome brother Chandra Siringoringo and Budi Wisanto Siringoringo that always supported and helped me, all the time with their love to do my best.

In my daily life in campus I have blessed with the presence of my best and crazy partner ever Poppy Wulandari Sitanggang, Angeline Visca Panjaitan, Haposan Silalahi, Debby Monica, Riris Tamba, Ruth Sari Panjaitan, Evina Sihite, and Juwita Sitorus that give me wonderful moment that i have never forget. I would like to say thanks to my best partner Liesa Afridhila that always with me doing this research and my brother and sister Andri Situmorang, S.Pd and Vera Manik, S.Pd that give me the pray, spirit, help, and support to make this thesis.

I am also grateful to the CESP 2011 family, that always solid and friendly during study in this university. I greatly value our solidarity and friendship during this 8 semester.

I also would like to express my grateful to my friends during PPL in SMAN 2 LINTONGNIHUTA, you just like my family now to Nancy Alretni, Lestari Sitio, Yolanda Bangun, Rony Hasibuan, Jonni Sitorus, Aprita Simbolon Jasmen Sihotang, Frederick Pandiangan, Ricki Tampubolon and Partogi Hutapea, thanks to all my students in SMAN 2 LINTONGNIHUTA which has helped me in PPL with spirit to learn and hospitality during I teached in there.

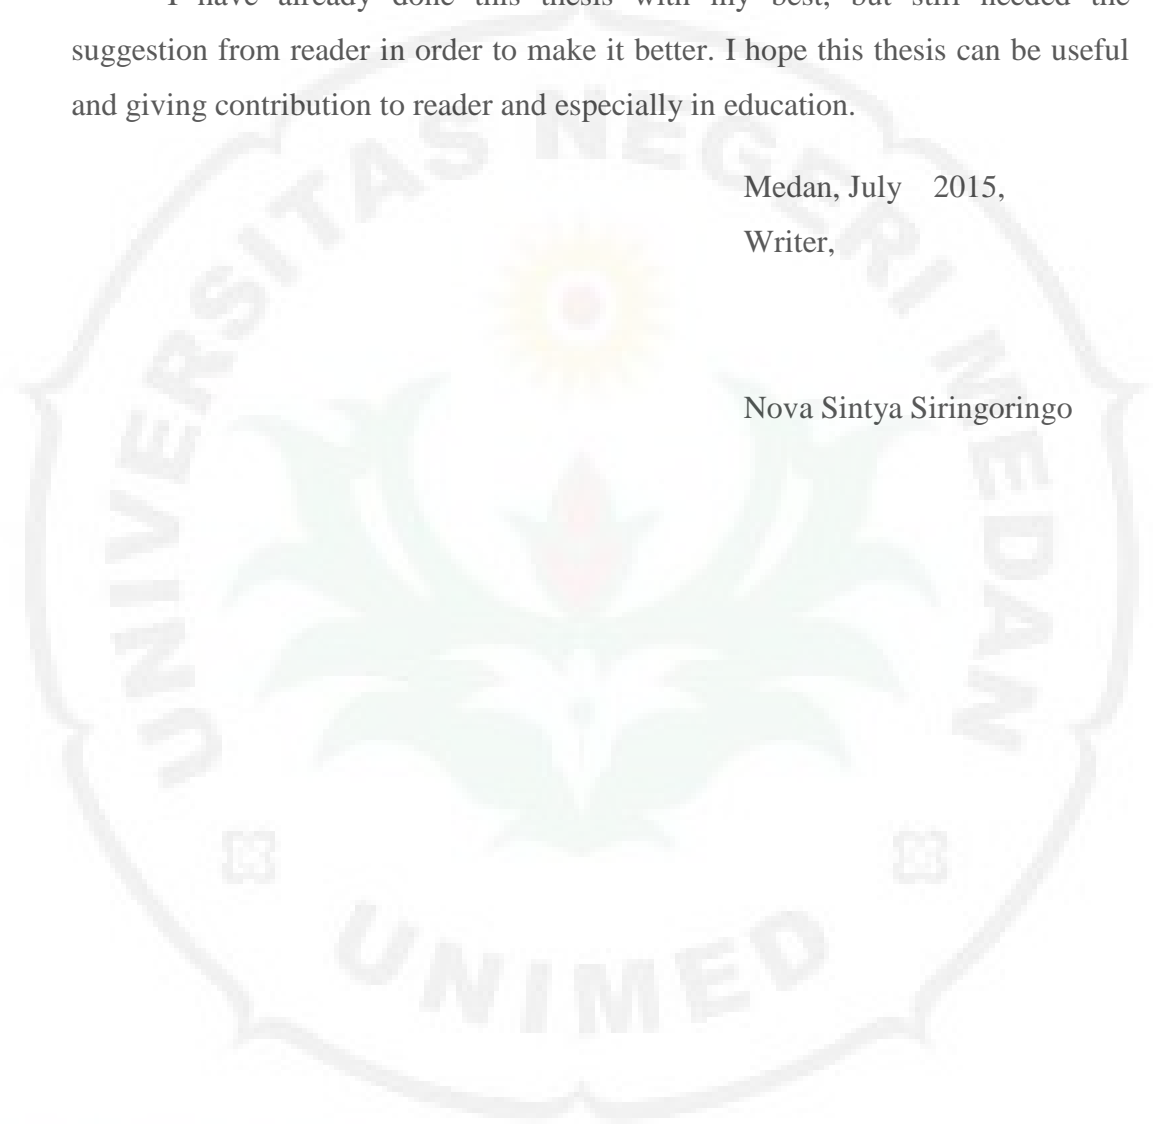

I am also grateful to IKBKK for all my brothers and sister. Last but not least, thanks to my best friend from senior high school, Welsa Manihuruk, Ivana Christy Tampubolon and Widya Nanda Tampubolon that give me the pray and support to make this thesis

I have already done this thesis with my best, but still needed the suggestion from reader in order to make it better. I hope this thesis can be useful and giving contribution to reader and especially in education.

Medan, July 2015,

Writer,

Nova Sintya Siringoringo
