

LIST OF APPENDIX

	Page
Appendix 1. Interactive and Innovative Chemistry Learning Material on The Teaching of Electrochemistry	65
Appendix 2. Syllabus	66
Appendix 3. Questionnaire for Trial The Innovative and Interactive Chemistry Learning material on The Topic Electrochemistry	69
Appendix 4.1. Analysis of General Chemistry Textbook Code A	70
Appendix 4.2. Analysis of General Chemistry Textbook Code B	71
Appendix 4.3. Analysis of General Chemistry Textbook Code C	72
Appendix 4.4. Analysis of General Chemistry Textbook Code D	73
Appendix 4.5. Analysis of General Chemistry Textbook Code E	74
Appendix 4.6. Analysis of General Chemistry Textbook Code F	75
Appendix 4.7. Analysis of General Chemistry Textbook Code G	76
Appendix 4.8. Analysis of General Chemistry Textbook Code H	77
Appendix 4.9. Analysis of General Chemistry Textbook Code I	78
Appendix 4.10. Analysis of General Chemistry Textbook Code J	79
Appendix 5. The Questionnaire Result of The Interactive and Innovative Chemistry Learning Material on The Topic of Electrochemistry Standarization by Lecturer	80
Appendix 6. The Questionnaire Result of The Interactive and Innovative Chemistry Learning Material on The Topic of Electrochemistry Standarization by Students	81
Appendix 7. The Questionnaire Result of The Interactive and Innovative Chemistry Learning Material on The Topic of Electrochemistry Standarization by Lecturers and Student	82
Appendix 8. Descriptive Analysis Of Standardized Learning Materials	83
Appendix 9. Research Documentation	85
Appendix 10. Letter of Administration	87
