

## ACKNOWLEDGEMENT

In the name of Allah SWT, the most gracious and merciful, all praise for His mercy, guidance and loving cares which have been given to the writer, in the process of completing this thesis entitled “The Acquisition of Indonesian Lexical Morphemes by a Child of Three-Years Old”. As a compulsory in order to fulfill one of the requirements for the degree of Magister Humaniora at the English Applied Linguistics Study Program, Postgraduate School of State University of Medan.

During the process of completing the thesis, the writer has received a lot of assistance from some people. First of all, she would like to express her special appreciation to her First adviser Prof. Tina Mariany Arifin, M.A., Ph.D. for being so helpful in guiding and correcting the contents, layouts, and tenses which she could spare her valuable time not only from a near distance but also at a distance was not a real problem; and to her Second Adviser Dr. Didik Santoso, M.Pd., for being so helpful and cooperative in the supervision of writing this thesis.

Second, her thanks are extended to Prof. Dr. Busmin Gurning, M. Pd., Dr. Sri Minda Murni, M.S., and Farid Ma'ruf, Head, Secretary and Administration staff of English Applied Linguistics Study Program; and Prof. Dr. H. Abdul Muin Sibuea, M. Pd., Director of Postgraduate School, for the administrative procedures during the completion of this thesis and also all lecturers who had given very valuable knowledge through out the academic years.

Third, great appreciation are extended to Prof. Amrin Saragih, M.A., Ph.D., Dr. I Wayan Dirgayasa Tangkas, M.Hum., and Dr. Anni Holila Pulungan, M.Hum., as the reviewers and examiners for the valuable inputs to be included in this thesis

Then, her deepest gratitudes are expressed to her beloved parents, (Late). Mara Gading Rambe, S.Pd., and Lismanita, for everything poured to her to achieve her ambition, her brothers Akbar Khusyairi Rambe, S.Pd. and Imam Ansyari Rambe who always support, pray and motivate her in achieving further education.

She also would like to thank SKA's parents who had given the permission to observe SKA's language acquisition of the Indonesian lexical morphemes which had made the research possible to be carried out.

Then, a very special thanks to Aurora (Chairul, Dhani, Tari, Reza, Sugih, Melita, Ayu, Aisyah, Ami, Tia, Arin, Raisa and Desi) and also her best friends since senior high school till presents (Mega, Maida, Winda, Elvi, Nanda, Idris, Dicky and Adel) who have shared the colorful friendship and being good listeners for every complaint and regarding her feelings of loneliness and emptiness. Further thanks are directed to her friends and classmates Regular A1 2012 for the assistance and encouragement, especially to Azizah and Tari, for the heart to heart conversations via mobile phone, facebook and face to face chit-chat. She really appreciates the advice and encouragement on many cases.

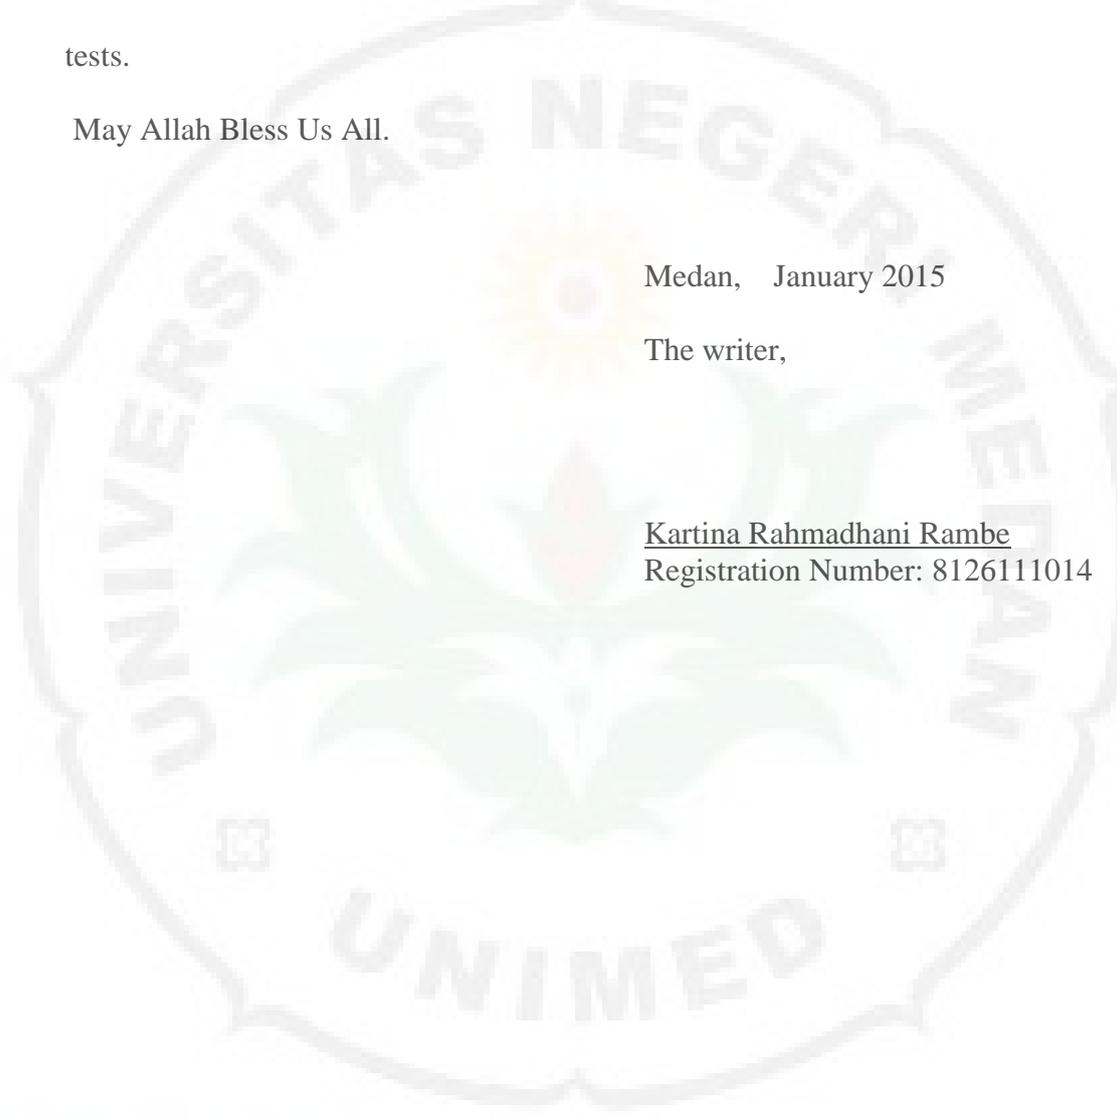

She would also like to thank her students who never questioned her craziness during the last year and were patience with getting their grades after the tests.

May Allah Bless Us All.
