

ACKNOWLEDGMENTS

In the name of Lord, Jesus Christ, here the writer comes with a grateful heart saying how thankful she is for everything He has blessed her with. She would have never thought God's plans would bring her here, finishing her thesis. She hopes that He'll continue to be with her through any kinds of day. Love and thanks is dedicated to Him for His love and salvation.

First, the writer would like to deliver her gratitude to her thesis advisors, **Dr. Eddy Setia, M. Ed., TESP** and **Dr. I Wy Dirgeyasa, M. Hum.**, for all brilliant ideas and advice until this thesis comes to its present form. Working under their guidance made the writer learn many things.

Sincere thanks goes to **Prof. Dr. Busmin Gurning, M.Pd., Prof. Dr. Sumarsih, M.Pd.**, and **Dr. Zainuddin, M.Hum.**, for their suggestions. It has been an honor to be their Master student.

She is especially appreciative for the Head of English Applied Linguistics Study Program, **Prof. Dr. Busmin Gurning, M.Pd.**, and the Secretary **Dr. Sri Minda Murni, M.S.**, for all of their time and their assistance throughout in the process of completing this thesis and all the lecturers and administrative staffs of the Post Graduated Program of LTBI.

The special gratitude goes to her lovely parents **St. M. Togatorop, S. Pd.** and **E. Manik**, for her brother and sisters **Muara Winner Roy Togatorop, S.Si**, **Ratna Fitriany Togatorop, S. Kep, Ns.** and **Rini Lenita Togatorop, A.M.Keb.**, for her sister and brothers in law **Tioria Manihuruk, S.Sos, Ronni Hutagalung, A.M.R, Johan M.H. Siahaan, S.E.** and for her sweet nieces and nephews. There

In addition, special thanks delivered to **Fretty Rolica Sianipar**, **Christine Magdalena Siregar, S.Pd.**, and **Marlina Tampubolon, S.Pd.**, for their helping and care.

Last but not least, the writer also appreciates all support from her best friends (YN2), LTBI B XIX, friends elsewhere, and the people whose names cannot be mentioned. Without their kindness and encouragement, this research could not be finished in time. It would not have been possible to write this thesis without the help and support from the kind people around, *Danke !*
