

## ABSTRACT

Haitami, Ulfian. 082222810013. *The Use of Process in Juz Amma of Holy Quran. A Thesis. Faculty of Languages and Arts, State University of Medan. 2012.*

The objectives of this research were to find out the six types of process, namely: Material Process, Mental Process, Relational Process, Behavioural Process, Verbal Process, and Existential Process and the dominant one used in *Juz Amma* of Holy Quran. This research was conducted by using qualitative descriptive design. It took all surahs in *Juz Amma* of Holy Quran which consists of 37 surahs. The result of analyzing found six types of process were used in the surahs of *Juz Amma* of Holy Quran, they were: Material Process, Mental Process, Relational Process, Behavioural Process, Verbal Process, and Existential Process. Material Process is the most dominant type used in *Juz Amma* of Holy Quran. It means that many surahs in *Juz Amma* of Holy Quran contain about action, activity, things that are doing or happened physically, bodily, and materially. So the physical or action verbs are mostly used as the representation.
