

CHAPTER V CONCLUSIONS AND SUGGESTIONS

A. Conclusions

The researcher concluded that:

1. Some the slang words that used in “Kick Ass II” English movie are: Bitch, dude, fuck, guys, damn, sucks, cool, shit, guys, buddy, asshole, wanna, gonna, ‘cause, balls, what’s up?, the hell, gotta, holy shit, badass, NFL.
2. Based on the theory of Yule (1985:52) there are ten types of word formation process, but the researcher only found seven types of them used for forming slang in the first 45 minutes “Kick Ass II” English movie. They were, Coinage, Compounding, Clipping, Conversion, Derivation, Acronym, and Multiple processes.
3. The dominant type of word formation process in the first 45 minutes “Kick Ass II” English movie was Coinage with 49 utterances (45,4%) then followed by Clipping with 45 utterances (41,7%), then Derivation with 5 utterances (4,6%) and Multiple Process with 4 utterances (3,7%), Compounding with 3 utterances (3,8%), and then Conversion and Acronym with 1 utterance (0,9%).

B. Suggestions

1. Slang word is usually used by teenager in America in daily conversation and also in the movie. The most people in Indonesia loved to watch the movie from Hollywood because that movie gave the trend fashion, and have good story or good plot and attracted story in the world especially from teenager in Indonesia. That's why the listeners needed to know how do these words formed because slang could be came from the old to the new uses. That's important for giving the listeners a clear explanation so that the listeners would not make a mistake in understanding the meaning of those slang words that usually found in movie.
2. This writing could be an additional material for other researchers who are interested or needed to study about Slang and know how the process for forming the slang word indeed.
