

CHAPTER V

CONCLUSION AND RECOMMENDATION

5.1 Conclusions

Based on the result and discussion, can be concluded that:

1. The book published by Cambridge is quite good, while the book published by Esis, Erlangga and BSE is very good in the completeness aspect.
2. For the breadth aspect, all books are very good.
3. The three books from Indonesian publisher is very good while the book published by Cambridge is quite good again in depth aspect

5.2 Recommendation

Several suggestions based on the research result:

1. It is necessary to develop other instrument which more compatible to measure the quality of concept's completeness, depth and breadth.
2. Publishers can use this data as a references to increase the book's quality in concept's completeness, depth and breadth.
3. The government should be more careful in assessing the content's feasibility of book because the book is one source of student learning.
4. The textbook author must know the curriculum's request deeply when write a textbook so, the book's content does not display overdose knowledge.
