Then author also say thanks to Dra. Nerli Khairani M.Si as her academic supervisor for his advices, suggesttion, motivation from beginning until finishing the study. The author’s special thanks are also given to Prof. Dr. Ei Syahputra , M.Pd, Dr. KMS. Amin Fauzi, M.Pd, and Dr. W. Rajagukguk, M.Pd as thesis examiner for their willingnedd to correct, giving advices, encouragement, suggestions and knowledges that have been contributed to help the author in compiling this thesis.

The author also give thanks to Mr. Prof. Dr. Syawal Gultom, M.Pd as the Rector of State University of Medan, Mr. Dr. Asrin Lubis, M.Pd as the Deanof Faculty of Mathematics and Natural Sciences, Mr. Dr. Edy Surya, M.Si as the Head of Mathematics Department, Mr. Drs. Yasifati Hia, M.Si as the Secretary of Mathematics Department and Mrs. Dr Iis Siti Jahro, M.Si as the Coordinator of Biilingual Program for all the valuable guidance and contribution to complete this thesis. Big thanks for all the lecturers of Mathematics Department and all administrative staff at the faculty, deparment, and bilingual program for their guidance and administrate assistance given. Then, also give thanks to Mr. Drs. H. Sosiar as Headmaster of SMA Sinar Husni Medan, Mathematics Teacher at SMA Sinar Husni Medan and also all of teacher and staff in SMA Sinar Husni Medan who help authors in doing and finishing the research.

This thesis can not be compiled well without the everlasting love and pray from author's beloved father, Pangidoan Nasution and the only one author's Dahna Wati Nasution, also for author's beloved Brother Anwar Wahyudi and Dedi Ariansah Nasution. for author's beloved grandma Hj. Hamidah and Hj. Saribanun and my grandpa Hj. Muktar.

Thanks for all my lovely family in Bilingual Mathematics 202, who gave support and motivation during completion of thesis. Also thanks for my friend Deri Sitorus and Asrawi Saputra who gave loves and cheers trough completing this thesis. Als thanks to all my family in Fatia Kos who always support and help me during completion of this thesis. The last thanksfor my beloved friend Rani Rahayu Simanungkalit , who already be with me in sadness and happiness, sharing and discovering many unique things together from first semester until end semester.

The writes should give a big effort to prepare this thesis, and writers knows this thesis was weakness. So that, writer needs some suggetions to ake this thesis better. And big wishes, it can improve our knowledge.
