Acknowledgement

This thesis is completed due to the guidance, motivation, encouragement, support, and help of many persons. I can mention only a few of them below, to whom I am very thankful and grateful, particularly to Prof. Dr. J. Naibaho, and Dr. Lince Sihombing, M.Pd as my consultants who are always kind and helpful to give strong motivation, spirit, correction, and guidance.

Similar thanks are due to Prof. D.P. Tampubolon, P.hD, Prof. Amrin Saragih, P.hD, Dr. Berlin Sibarani, M.Pd. who have given lots of important critical comments, suggestions, and recommendations in improving his thesis.

A high respect is offered by me to Dr. Lince Sihombing, M.Pd, who is always active to monitor, guide and give valuable encouragement and motivation to me. I should also like to thank all the lectures of English Applied Linguistics and his classmates as I really have benefited much from their lectures, and discussion in class during my study.

I also would like to thank the STAIN which has donated scholarship during academic years (Sekolah Tinggi Agama Islam Negeri Lhokseumawe). Thank is also due to the rector of STAIN, Drs. Haffifuddin, M. Ag, for the permission and facility given during my S-2 program at State University of Medan.

The most precious appreciation is expressed to all his friends in Graduate Program of Applied Linguistics, State University of Medan, a few close friends

Samsul Bahri, Vanson, Choki David, Erika, Lely, Lasma, Lili, and all others who can not be mentioned one by one, for their support.

Finally, I would like to express my deepest gratefulness to my family. His beloved wife, Cut Adnen, sons and daughter: Nanda Satria, Noerman Akbar and Cut Nindya Rizky for their fidelity, love, understanding and care without complaining for less attention given to them during finishing his study.

God Bless Us!
