

## ACKNOWLEDGEMENTS

In the name of Allah SWT, the beneficent and merciful. All praise is merely to The Mightiest Allah SWT, the lord of the worlds, for the gracious mercy and tremendous blessing that enable me to accomplish this script. This research report entitled **“The Implementation Of Scientific Approach To Increase Learning Outcomes Of Long Jump Tuck Technique Through Barrier Media To The Second Grade Students Of SMP Swasta Karya Bunda Percut Sei Tuan District In 2016/2017 Academic Year”**, is submitted to fulfill one of the requirements in accomplishing the S-1 Degree Program at the Department of The Education Sport Science of Sport Science Faculty, State University of Medan.

The writer consider there are still very much deficiencies in this script. In this script accomplishment it self, the writer also experienced a lot of resistance including the time, finance, and energy. But, with the whole mercy and blessing from Allah SWT the suport and concern from the entire side involved and the hard willy of the writer one self so this script finally completed.

In this occation, the writer would like to thank to all of those who have given the contribution so that this script can be finished. The writer would like to deliver this thanks to:

1. Allah SWT the almighty God, one and only lord of the universe. For the unlimited blessing and mercy
2. The highest appreciation to my beloved mother Emi Tayani and my beloved father Yusmanto for the unlimited du'a, concern, suport and love

all long of my life. I presented my whole effort for you. Nothing else matter than looking at your smiles.

3. To my older brother Ardhi Irwansyah S.Pd for the spirit and motivation that boosted the writer willy.
4. To the President of State University of Medan
5. To the Dean of Sport Science Faculty
6. To The Vice of Dean I Drs. Suharjo M.Pd, The Vice of Dean II Drs Mesnan M.Kes, and The Vice of Dean III
