

## TABLE LIST

|   |    |
|---|----|
| Table 2.1. Operational Form of Mathematical Representation Ability                | 17 |
| Table 2.2. Indicator of Mathematical Representation Ability                       | 18 |
| Table 2.3. Stages of Problem Based Learning                                       | 25 |
| Table 2.4. Syntax Of The Direct Instruction Learning Model                        | 26 |
| Table 3.1. The Blueprint of Mathematical Representation Ability Problem           | 39 |
| Table 3.2. The Rubric of Mathematical Representation Ability Problem              | 40 |
| Table 4.1. The Result Post-test of Mathematical Representation Ability            | 47 |
| Table 4.2. Mean Percentage of Experimental and Control Class of<br>Each Indicator | 49 |
| Table 4.3 One-sample Kolmogorov Smirnov Test                                      | 50 |
| Table 4.4 Homogeneity Variance Test   | 51 |
| Table 4.5 Independent Sample t-test   | 52 |
| Table 4.6 Observation Sheet   | 53 |
