## ACKNOWLEDGMENTS

My thanks go to a number of people without whom this thesis would never have been completed. I would like to express my foremost thanks to Amrin Saragih PhD. and Prof. Dr. Jawasi Naibaho my supervisors for their continuous guidance, being available any time I needed their assistance and the time they spent reading and correcting my rough draft until this thesis took shape. Special Thanks also to Prof. D.P. Tampubolon, Ph.D. , Prof. Dr. Bahren Umar, Ph.D., and Prof. M. Butar-Butar for the correction in the seminars dealing with the completion of this thesis.

I wish to thank Prof. Dr. Jawasi. Naibaho as the head of English applied linguistics majority, his vice Miss. Maisuri MA. and all staff of Graduate Program of English applied Linguistics - UNIMED for their warm welcome any time and also The staff of The UNIMED library for their assistance in locating library collection. I am much indebted and greatly thankful to my colleagues and friends who have contributed for the completion of this thesis.

Finally, No amount of thanks can properly express my special gratitude to my wife Surawati, AMd, who is closest to my heart, My thanks for being models of patience and encouraging me to finish this program, and my thanks go to my beloved son Hasbul Wafi Dalimunte and my new baby Nadila Fitri Dalimunte whom became special deep spirit in my life,

they always cried to get my attention but I couldn't some time give them because of my works and study.
