

ACKNOWLEDGEMENT

Alhamdulillah, in the name of Almighty ALLAH, the most Gracious and the most Merciful, first of all, the writer would like to thank God for His Blessing in the completion of this thesis. Praises are also addressed to our prophet Muhammad SAW who has guided us to the better life of today.

In the completion of this thesis, the writer wishes to acknowledge my deepest gratitude for all generous guidance and assistance which has been given to her by a lot of people.

The highest appreciation goes to her parents and two advisors, *Dr. Siti Aisyah Ginting, M.Pd* and *Dr. Rahmad Husein, M.Ed* as my first advisor and as my second advisor for their all guidance through the completion of this thesis.

Then, my appreciation also goes to *Dr. Rahmad Husein, M.Ed* as the Chief of English Applied Linguistics Study Program and *Dr. Anni Hollila Pulungan M. Hum.* as the Secretary of English Applied Linguistics Study Program who have assisted me in processing the administration requirements during the process of her studies in the Postgraduate School of the State University of Medan.

The writer's great thanks also goes to my reviewers and examiners, *Prof. Dr. Busmin Gurning, M.Pd* then *Prof. Dr. Zainuddin, M.Hum* and *Prof. Dr. Syahron Lubis, M.A.* They had given valuable inputs, suggestions, criticisms and improvements for this thesis. I also would like to express his thankfulness for all lecturers teaching his during the academic years of LTBI.

Finally, my special gratitude is dedicated to my beloved parents, Alm. Dahmin Marbun and my mother Sanna Tamba. And also special thank for my lovely, soulmate and the sweetest of my heart Firdaus, M.Pd and also my beloved son Firnanda El Zikri and the whole families who always support me and no suitable word that can fully describe their everlasting love and express how much I love them.

Then, last but not least, my gratitude goes to the kind, generous and smart friend who helped, spared, guided, corrected and gave much contribution in finishing the thesis, they are my friends of LTBI B4 XXII who have supported me to conduct this thesis, especially for Masferu, Mufida and Karyanto and others, for their friendship and cooperation.
