ACKNOWLEDGEMENT

Than be to God, the most gracious and merciful, for having granted the writer the strength to write this thesis. This thesis would have been impossible without constructive suggestions, inputs and critical comments from some important people in the field.

In this occasion, the writer would like to express her sincerest gratitude to several people who helped her in writing this thesis. She is really indebted to Dr. Busmin Gurning, M.Pd., her first consultant, for his valuable guidance, suggestions, comments and never ending attention, in the process of writing this thesis.

Her sincere gratitude is also extended to Prof. Jawasi Naibaho, her second consultant, for his special advice, guidance, encouragement and comments to finish writing this thesis.

She is also very grateful to the reviewers of this thesis for their advice, suggestions, and comments in reviewing this thesis. They are: Prof. Tina Mariany Arifin, M.A., Ph.D., Prof. Dr. Lince Sihombing, M.P.d and Prof.D.P Tampubolon, Ph.D.

Her thanks fullness goes to the head of English Applied Linguistics Study Program, Prof. Tina Mariany Arifin, M.A., Ph.D., also to Prof. Dr. Amrin Saragih, M.A. and all the lecturers for the knowledge, input, and encouragement in doing this research.

Her intense gratitude is addressed to her beloved parents, brothers and sister for their never-ending love and support during her academic years at UNIMED.

Last but not least, She is greatly thankful to all her friends, her classmates at English Applied Linguistics Study Program and the rest who are to many to mention, who have taken part and also recommended her to write this thesis.

To all of them the writer can only hope that they will look upon the results of their influences and endeavor with pleasure. May God bless us.
