

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### 5. 1 Conclusions

After analyzing and drawing all interpersonal metaphor of Tim and the Baby utterances in the *Boss Baby movie*. The conclusion can be drawn as follows:

1. All elements of interpersonal metaphor of mood, modality, epithet, euphemism, connotation and mental process found in Tim and the Baby utterances in *The Boss Baby* movie.
2. The use of interpersonal metaphors in the Boss Baby movie is realized by the use of making meaning ambiguity, avoiding negotiation and politeness. Interpersonal metaphor in the Boss Baby movie is realized by the used of incongruent types of expressing meaning. In addition, it is found that expressing emotion as the new findings of this study which not in line with the previous theories.
3. The use of interpersonal metaphors in the Boss Baby movie referred to the social context. Namely context of situation, culture and ideology.

#### 5. 2 Suggestions

After having seen the result of the study, suggestions are staged as the following:

1. It is advisable for the students to understand the used of each elements of interpersonal metaphor in interaction in order to make the interaction ran well.
2. It is suggested that the roles of interpersonal metaphor were taught to the student in Language Course and university in order to made them more understood and knew how to understood the utterances for example while having interview in seeking job.

3. It is suggested to the other researcher and the students of English Applied Linguistics to found out more other reason and elaborate the theory of interpersonal metaphor in the same or different cases and field of study.
