

## ACKNOWLEDGEMENTS

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

*Assalamu'alaikum Warahmarullahi Wabarakatuh.*

Gratitude Alhamdulillah author chant the presence of Allah SWT on the grace of pleasure, grace and hidayah of Him given to the author so that the author can complete the thesis entitled **“The Implementation of Problem Based Learning Through Scientific Approach to Increase Students’ Forward Roll Achievement in Grade X SMA Negeri 1 Rantau Utara A.Y. 2017/2018”**.

Greetings and shalawat may always be devoted to our example and our leader, Rasulullah SAW who has opened the door of knowledge to us about the true and true sciences and guided us from the darkness to the lighten as well as the world now.

In completing this thesis the researcher realizes that many difficulties that writers face but thanks to the effort and Ridho Allah SWT writing this thesis can be resolved although still far from perfection. On this occasion, the author would like to extend gratitude to Ayahanda Mukhtaruddin Sam, S.Pd and Ibunda Syamsinar Siregar for all efforts given in the form of prayer, motivation, morale and material which is sincerely given to the writer without any expectation of reward, I love you more than you know.

The author would like to say thank you profusely for all the help that has been given, either directly or indirectly during the preparation of this final thesis to complete. In particular gratitude that are due to:

1. Mr. Prof. Dr. Syawal Gultom, M.Pd Rector of State University of Medan.
