

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

This chapter discuss as about conclusion and suggestion on the basic of the result of research and discussion presented in the previous chapter.

A. Conclusion

Based on the research result, it was concluded that:

1. From the questionnaire about how the existing media works in SMP N 1 Sumbul that was answered by the students, 78 % student said that the existing media was boring and 73 % student said that it was uninteresting and didn't make significant improvement in teaching learning process.
2. The final product designed by Macromedia flash 8 for teaching writing is in a form of a teaching media set consisting of the macromedia Flash 8 media, manual media which is burned in to a CD, and the scoring sheet. This product also has been validated by material and media expert. For the total assessment by material experts is 3.75 which means the media is very eligible to use for teaching writing for eighth grade students of SMP N 1 sumbul.

B. Suggestion

From the conclusion above there are some suggestions that are proposed that probably can be helpful for English teacher and further researchers:

1. English teacher. The English teacher should have good creativity in creating interactive learning process for example using the media, so the students will be more motivated in learning English.
2. Another researcher. The media consist of one material, narrative text. For other researcher can be add another English material or another material subject by using the Macromedia Flash.
