Dear Author,

Please find the attached Reviewer Feedback of your manuscript "Camera Calibration For 3D Leaf Image Reconstruction Using Singular Value Decomposition".

Kindly revise your paper as per the feedback attached herewith and send us an updated version following the SAI Paper format (attached). Please submit your camera ready paper (both .docx and .pdf format) on or before September 20, 2017, for publication in IJACSA September 2017.

Tentative Publication Date - 1 October 2017

If you have prepared your paper in Latex, there is no need to submit a .docx file (Submit Latex sources with .pdf file). You may download the Latex Paper Format from <http://thesai.org/Home/Downloads>

Our publication team is experienced in handling most of the formatting issues in the manuscripts. While there are instances when a issue cannot be resolved, only in those cases the manuscript may be shifted to the next issue. There will be no other extra charges nor there will be any liabilities. We are fully committed to the satisfaction of the authors and are always there to assist you in best possible manner.

Thank you for considering IJACSA as a medium for publication of your work.

Regards,  
Editor

Dear IJACSA Editors,

we would like to thank you for the extension of the time given to us (until 25 September 2017) for the submission of our revised article (paper titled "Camera Calibration For 3D Leaf Image Reconstruction Using Singular Value Decomposition") to be published in this September 2017 period. Here we attach 2 files. The first file is the pdf format and the second file is a zip file containing all the Latex sources that creates the pdf file.

Best regards,  
Hermawan Syahputra

IJACSA Volume 8 Issue 9 September 2017 Published

Editor IJACSA <editorijacsa@thesai.org> to bcc: me

Sat, Sep 30, 2017, 3:17 PM

Dear Colleague,

It is our pleasure to present the September 2017 Issue of the International Journal of Advanced Computer Science and Applications (IJACSA).

All papers published in IJACSA are assigned individual DOIs. The DOI information for each article is available at the respective web page of that article. Each published paper also has a dedicated web page with all information about the paper that is linked to the respective DOI. However, it may take a few days for DOI records to be updated at CrossRef.

Our next steps will be to submit the published Issue in International Indexes and University Libraries. Some of the indexes include Inspec, DOAJ, Microsoft Academic, WorldCat, NASA ADS (Harvard Univ). We also have associations with University Libraries like University of Karlsruhe, Germany, PennState University, University of Washington, Georgetown University and many more where all issues of IJACSA are indexed. The Science and Information Organization is also a CrossRef Member.

We are also very pleased to announce that IJACSA is indexed in the Thomson Reuters Emerging Sources Citation Index, a new edition of Web of Science, along with inclusion of IJACSA in Thomson Reuters Master Journal List.

Current Issue is available at the following link: [IJACSA Volume 8 Issue 9 September 2017](#)

We hope this was a wonderful experience for you and we kindly request you to disseminate information about issue publication among your colleagues and fellow scientists, so as to achieve increased readership for all articles. Please feel free to explore the papers published in our journal and use the social buttons to share them on your preferred social networks.
