

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### 5.1 Conclusion

After analyzing the data which regarded the characterization of Ronggur as the main character in Toba Dreams movie, finally the researcher found some conclusion as follows.

Toba Dreams movie told about Ronggur who is a drug mafia and newbie in the drug mafia world and has the ambition to become a successful journalist, and he is willing to do anything to make it happen. Ronggur as the main character in this movie is represented as someone who has an antisocial personality. There were six characteristics of antisocial personality of Steve Schwartz which were found in this movie, they are (1) Failure to Conform to Social Norms and Respect Lawful Behaviors with 2 items, (2) Deceitfulness with 10 items, (3) Impulsivity with 5 items, (4) Irritability with 33 items, (5) Reckless Disregard for the Safety of Self or Others with 7 items, (6) Lack of Remorse with 3 items.

From the 60 data, there were only two characterization methods from five characterization methods which showed the characteristics of antisocial personality of Ronggur, they were (1) actions, (2) dramatic statements and thoughts. The number of the data of characterization methods can be seen as followed : action with 46 items, dramatic statements with 14 items.

## 5.2 Suggestion

Referred to the results of the analysis, there are some suggestion as followed:

1. The students who are interested in learning the characterization methods should know about the principles of the methods themselves in order to enrich their knowledge when learning about it. In the analysis of the characterization of the characters, it is suggested for the students to learn about it deeper and understand different methods in it.
2. The readers can use the result to develop and give inspiration for further study.
3. Parents can provide an idea to overcome obstacles in implementing the character of responsibility.
4. The researcher used a psychological approach as stated in the driving force behind the behavior section. In the analysis, researcher provide ideas and main encouragement to become better goals that are applied by the main character.
