

## ACKNOWLEDGEMENT

Praise and great gratitude to the Lord Jesus Christ, who always gives His gracious mercy and tremendous blessing that has helped finishing this thesis entitled with **“The Development of SMA Textbook Based on Scientific Approach on Motion and Circulatory System Topics.”**

This thesis is arranged to fulfill the requirements in accomplishing the Bachelor of Education Degree in Bilingual Biology Education Study Program, Biology Departemen, Faculty of Mathematics and Natural Science, State University of Medan.

Next, the author would like to express her deepest gratitude to Sir Drs. Syarifuddin, M.Sc., Ph.D. as a Thesis Supervisor who has provided guidance and advice from the beginning of the research proposal preparation until this thesis can be completed.

The author also thank Ma'am Dra. Meida Nugrahalia, M.Sc. as Academic Advisor. I also expressed my gratitude to the examining lecturer Ma'am Dr. Melva Silitonga, M.S., Sir Wasis Wuyung Wisnu Brata, S.Pd., M.Pd., and Ma'am Dra. Meida Nugrahalia, M.Sc. who has provided criticism and suggestions to improve the quality of this thesis.

Her sincere thanks also go to Dean of Mathematic and Natural Science Faculty, Dr. Martina Restuati, M.Si., the Head of Biology Department Dr. Hasruddin, M.Pd., the Head of Biology Education, Wasis Wuyung Wisnu Brata, S.Pd, M.Pd. and the Head of Bilingual Study Program Dr. Iis Siti Jahro M.Si, for plenty of love, support, advices, and knowledge which they spread to author without no doubt.

Especially, the author would like to say thank you to her greatest inspiration, her source of strength and spirit, her beloved father Natiar Marbun (+) and her beloved mother Veronica Pariama Manullang (+) . Thank you so much for being the best parents, who always prays, motivates, gives full support and truly loves so that the author can through all this things and finally finish this thesis well. She also like to thank her sisters Elizabet Rinawati Banjarnahor and Hanna Friska Luciana

Marbun; her brother Hermon Ferdinan Mauliate Marbun; her brother in law Haris Louis King Gultom; and also her cute little & adorable niece, Ekklesia Clairiene Gultom who has provided support the author through motivate, speech and prayer.

Then, her biggest thanks to her best friends, Henni Nahampun, Lestri Sitohang, Naomi Napitupulu and Novita Manalu for all sort of happiness, love, support, advice, help and unforgettable moments.

The author also thank to all friends in Bilingual Biology Education 2014. Last but not least, the author would like to express her appreciation to all people who involved in her study journey in university level. Thanks for all support that given to her. May God reward all those who have contributed in the completion of this thesis.

The author realizes that this thesis has not been perfect, both in terms of material or presentation. The suggestions and constructive criticisms are expected in the completion of this thesis.

Hopefully, this thesis will beneficial in provide things that are useful and add insight to the reader, especially for the writer as well and to contribute ideas in education.

Medan, July 2019
