Dear Mr. Diky Setya Diningrat:

We are very pleased to inform you that the article, 'Phytochemical Screening and Antibacterial Activity Of the Root Coix lacryma jobi Oil's', has been accepted for publication to Journal of Plant Biotechnology. To finalize the publication procedure of the accepted manuscript, please take the following steps to prepare a ZIP file to upload :

Step 1: Please make final corrections through the manuscript according to the reviewers' comments.

Step 2: Make sure that all tables with its legend, and figure legends are placed after "References" in the final manuscript.

Step 3: Each "Figure" should be saved as a single image file in jpg, gif, or tiff format over 300 dpi or 3 million pixels. File name should also be as same as figure name, e.g, image file for "Figure 1" should be "Figure1.jpg"

Step 4: Combine the final revision and all figure image files from above steps into a single ZIP file and name it as your manuscript submission number (JPB-xx-xxxx.zip).

Once the file is ready, please log on to the Author Center and upload the ZIP file at "submissions with a Decision" under "Decision" menu.

Journal of Plant Biotechnology sincerely appreciates your contribution to the journal. We also look forward to your continued support and contribution.  
Thank you.

Regards.
