

FOREWORD

Praise and gratitude to the presence of Allah SWT who has given His mercy and grace so that the writer can finish the thesis well. Thesis submitted as one of the requirements to obtain a bachelor of science degree in the Faculty of Mathematics and Natural Sciences (FMIPA), State Medan of University with the thesis title "The Effect of Blended Learning Using Schoology Toward Student Learning Outcomes".

The author would like to thank Prof. Dr. Makmur Sirait, M.Si, as a thesis supervisor who has provided advice, guidance and scientific advice during research and thesis writing. Thank you to the Rector of Unimed Dr. Syamsul Gultom, M.Kes, as the leader of Unimed along with all the vice-chancellors, Dr. Fauziah Harahap, M.Si, as the Dean of FMIPA UNIMED, Dr. Wawan Bunawan, M.Si., M.Pd, as the head of the physics department, Mrs. Dr. Ely Djulia, M.Pd, as the head of the Bilingual Physics study program, and all the educational and administrative staff in the Bilingual Study Program in Physical Education, State University of Medan.

Thank you to Mrs. Maisaroh Siregar, S.Pd., M.Si, as the Principal of MAN 1 Medan who has given permission to conduct research at MAN 1 Medan. Thank you to Mrs. Evi Choiriah, S.Pd, as a supervising teacher at school during conducting research and to Mr. Irwansyah, MA as the Principal of MAN 2 Model Medan who has given permission to conduct validation at MAN 2 Model Medan.

The author would like to thank my parents, my beloved father and mother Ridwan and Nurhayati who provided motivation in the form of morals and material as well as unending prayer to the author so that the thesis could be completed in time. Thank you to my dear sister, Ima Syafitri. Thanks to Fahmi and Desy who have helped since the beginning of the meeting until now and always there when I'm bored working on this thesis. To Habib, Zila, and Amel which always give me help, all 2016 Bilingual Physics friends, and all those who

are not I can mention one by one that has provided motivation and helped a lot in the completion of this thesis.

The author realizes that this thesis is far from perfect, therefore for the sake of perfection both in terms of content and grammar, the author accepts criticism and suggestions from readers. Finally, the authors say thank you, I hope this thesis is useful for further research and scientific development.
