

PREFACE

Praise and gratitude the authors say to God Almighty for His blessings and grace that gives power to the author so that he can complete this thesis with the title "**The Effect of Blended Learning to Critical Thinking and Creative Thinking Skills in Senior High School**". The purpose of this thesis is to complete the task in fulfilling one of the requirements in order to obtain a Bachelor of Education degree in the Physics Department, Faculty of Mathematics and Science, State University of Medan.

In writing this thesis the author has received much help and guidance from various parties. For this reason, the authors express their thanks to Mrs. Mariati Purnama Simanjuntak, S.Pd, M.Si as the thesis supervisor who has provided guidance and suggestions to the writer from the beginning of the study until the completion of writing this thesis. The author also thanks Mr. Dr. Wawan Bunawan, M.Pd., M.Si as the Examiner I, Mrs. Dr. Rita Juliani, S.Sc., M.Si as the Examiner II, and Mr. Dr. Juniastel Rajagukguk, M.Si as a Examiner III, who has provided input and suggestions to researchers until the completion of the writing of this thesis. Thank you also to Mrs. Dr. Sondang Manurung, M.Pd as an academic supervisor who has been providing guidance, moral advice and support during lectures. Thank you also to Mr. Dr. Wawan Bunawan, M.Pd., M.Si and Mr. Sabani, S.Pd, M.Si as chairperson and secretary of the Physics department and to the lecturers and staff and physics department staff. The author also thanks Mr. Drs. Haris H. Simamora, M.Si as the Headmaster of SMA Negeri 5 Medan who has given permission to the author to carry out research in SMA Negeri 5 Medan and Mrs. Maria, S.Pd as a physics studies teacher who has helped and guided the writer during the research.

The researcher also thanked my beloved father Ir. Johannes Sinaga and my beloved mother Sarina Hutasoit, who faithfully supported the struggle through the material, prayer, and advice given to the author during the completion of this thesis. Thank you also to my dear sister and brothers Laura Sarasonia Sinaga, S.Pd, Joshua Alexander Sinaga and Lukas Bonansen Sinaga who have provided

encouragement and support to the author. Do not forget to thank also my thesis partner Dita Trisna Panjaitan, Friends of KKN Desa Sibaganding (Fitri, Hotmaida, Winda and Felia), and my classmate Bilingual Physics 2016 class that always helps and encourages the writer to immediately finish this thesis. Last but not least, i also thank to Symphony Worship, EXO and NCT for the song that keeps me excited in working on my thesis.

The author also realizes that there are still many shortcomings, both in terms of content and grammar. The author expects constructive criticism and suggestions from readers for the perfection of this thesis. May this thesis be useful in enriching the state of education.
