Praise to God Almighty for all His graces and gifts so that this thesis can be completed properly according to the planned time. Thesis entitled **”Development of Physics Student Worksheets Based on Inquiry on Calor and Calor Movement Material In-Class XI Teaching Year 2020/2021”**, written to obtain a Bachelor of Physics Education, Faculty of Mathematics and Natural Sciences, Medan State University.

On this occasion, the author would like to thank Mr. Muhammad Kadri S.Si., M.Sc as the Thesis Supervisor, who has provided guidance, suggestions, and improvements to the author from the beginning of the proposal preparation to the end of the preparation of this thesis. The author also thanks to Dr. Nurliana Marpaung, M.Si, Mr. Mukti Hamjah Harahap, S.Si., M.Si, and Mr. Deo Demonta Pangabean, M.Pd as examiners who have provided constructive input and suggestions in improving the writing of this thesis. The author also thanks Mr. Budiman Nasution as the lecturer at the seminar on proposals and green table sessions. The author would also like to thank Drs. Togi Tampubolon, M.Si., Ph.D and Mr. Budiman Nasution, S.Pd., M.Si as validators for the LKPD that the authors used during research. Do not forget to also say thank you to Mr. Dr. Wawan Bunawan, M.Pd., M.Si, and the late Mrs. Dr. Sondang R Manurung(+), M.Pd as the academic supervisor who has guided me since studying at UNIMED. The author also thanks to the entire range of functionaries at Private School Nasrani 3 Medan, especially Mrs. Newbetty Butar-butur M.Si as a physics subject teacher who has helped and guided the author in conducting research at Private School Nasrani 3 Medan.

I especially want to express my deepest gratitude to the people who are lovely to the writer, our best daddy ever Jhon Marcus Pasaribu and mommy Lasmawati Manalu and all of my sisters Amelia Christin Pasaribu, Fretty Indahyani Pasaribu, Melisa Marito Pasaribu, Jeremia Marcelo Pasaribu, and the Opung Esta Family, who always provide support both in terms of material, motivation, advice and especially for prayer and affection so that the author can

graduate from Medan State University. Thank you also to Rev.Firman Sibarani M.Th and his family. Rev. Noderia Manalu S.Th and family, as well as Rev.Vebby M.S Sirait S.Th who always pray for and support in completing the final project. The author also expresses her thanks to friends who serve at IKBKF UNIMED, who are the writer's first family on college. The author would also like to thank Samuel Hutabarat S.Th, Yeremia Tambunan S.Pd and Melki Waddy Silalahi S.Pd, their comrades in arms from the beginning of college, still fighting spirit.

The author has made every effort in completing this thesis, but the author realizes that there are still many weaknesses in terms of both content and grammar. Therefore, the authors expect suggestions and constructive criticism from readers for the perfection of this thesis. Hopefully, this thesis is useful in broadening the knowledge of education.
