

PREFACE

Praise the writer to the Almighty God who has given His grace and gifts and provided the opportunity to complete the thesis entitled “The Development of Diagnostic Test in Waves and Sound for Senior High School”. This thesis is structured as one of the requirements for obtaining a degree Sarjana Pendidikan Fisika, Fakultas Matematika dan Ilmu pengetahuan Alam Universitas Negeri Medan.

On this occasion, the authors express our appreciation and sincere thanks to Mr. Prof. Dr. Sahyar, M.S., M.M as a thesis supervisor who has provided a lot of guidance, suggestions and strong motivation to the author from the beginning until the completion of this thesis writing. The writer also thanks to Mr. Dr. Wawan Bunawan, M.Pd., M.Si, Mr. Drs. Rahmatsyah, M.Si, and Mrs. Dr. Dewi Wulandari, S.Si., M.Si, as examiner who has provided input and suggestions starting from the research plan until the completion of this thesis preparation. The writer also thanks to Mr. Prof. Dr. Motlan, M.Sc, Ph.D, as the academic supervisor. The writer presents his sincere appreciation goes Mrs. Dr. Fauziah Harahap, M.Si as the dean of Fakultas Matematika dan Ilmu Pengetahuan Alam UNIMED, Mr. Dr. Wawan Bunawan, M.Pd., M.Si as the Head of Physics Department, Mrs. Dr. Ely Djulia, M.Pd as the Bilingual Department Coordinator. Thank you also to all the lecturers and staff members of Physics Department FMIPA UNIMED. The Writer gratefully thank to the Principal of SMA Negeri 1 Sijamapolang, Kab. Humbang Hasundutan, Mrs. Dra. Tedepia Simamora and Mr. Luhut A. Lumban Batu, S.Si as the Physics Teacher who has given permission to research and guided the writer during the research.

Especially the writer, thank you very much to my beloved little family, Ayahanda Juanda. Lumban Gaol and Ibunda Semberia. Br Nainggolan who have loved, prayed for, and provided support both morally and materially during the preparation of the thesis and during lectures to the author, so that they can complete this thesis at the

right time. Also the three younger writers of Gesi Amanda, Vitha Marissa and Chrisman Bagas Letare who always love, care for, give encouragement and prayers..

Thanks to the writer classmate, Bilingual Physics Education 2016. Thank you to friends who are like sisters and brother who always give encouragement and prayers: Erna Wilis Sianturi, Rosari Lumban Gaol, Sri Wulan Dari and Marcel Adrianus Panggabean. Thanks to friends GGS, KKN Desa Sibaganding which encourages, helps in several ways, and prayers: Johana T Sinaga, Fitri W Nababan, Felia Hutapea, as well as all parties who assist the author during the preparation of theses and lectures.

The writer has made every effort possible in completing this thesis, but the author realizes that there are still many weaknesses both in terms of content and grammar, for that the author expects suggestions and constructive criticism from readers for the perfection of this thesis. Hopefully the contents of this thesis are useful in enriching the knowledge of education.
