

FOREWORD

Praise and gratitude for the presence of God Almighty for all His blessings and gifts that give wisdom to the author so that she can complete this thesis properly. This thesis entitled "An Analysis The Students Learning Difficulties on Virus Topic in Grade X MIA SMA Negeri 8 Medan Academic Year 2020/2021" was prepared to obtain a Bachelor's degree in Biology Education, Faculty of Mathematics and Natural Sciences, State University of Medan. The preparation of this thesis has gone through a long tiring road and various stages in accordance with the standard procedures in force at FMIPA Unimed, starting from the stage of determining research topics, preparing and proposing seminars, conducting research, preparing thesis, and proposing the thesis examination.

In completing this thesis the author has the support of various parties. In this opportunity, a million thanks are delivered to Mr. Drs. M. Yusuf Nasution, M.Si. as the Supervisor who has provided direction, guidance and motivation to the author from the beginning until the completion of this thesis. The author also thanks Prof. Dr.rer.nat. Binari Manurung, Dra. Martina Asiati Napitupulu, M.Sc. and Dr. Elly Djulia, M.Pd. As the Examining Lecturer who has guided and provided suggestions so that the writing of this thesis can be completed well. The author also thanks Dr. Elly Djulia, M.Pd. As the Academic Advisor and Staff of the Department of Biology, FMIPA who have helped. The author would also like to thank Dr Hasrudin, M.Pd. The head of biology department who has helped during the research.

In particular, the author would like to thank my father, Kasinuddin Gea and my mother Helderita Panjaitan who always prayed, supported and motivated me in completing my studies at Medan State University. I would also like to thank my brothers and sisters, dr. Wirsal Indra Wijaya Gea, Imelda Veronica Gea, S.Pd., Agnes Laurensia Gea and my sister in-laws dr. Yoshi Afisa is greatly appreciated. The author also thanks to Gorky Berkat Pranata Zai, S.Pd. Who been accompanied support and motivation

The author also thanks all those who have helped the author has tried her best, but the author realizes that there are still many weaknesses and limitations in terms of both content and grammar, therefore the author hope that there will be constructive criticism and suggestions from various parties so that they can be input to perfect this thesis. Finally, the author say thank you and the author hope that this thesis will benefit us all and become input for the world of education.

Medan, July 2021
