

## ACKNOWLEDGEMENTS

At the very beginning, the writer owes a great of gratitude to the Greatest, Allah SWT, for without His guidance and mercy, this thesis could not have been written. She is also indebted to the following people for their supports and assistances.

Since the writing of thesis proposal, she had had the great good fortune to work with adviser commissions, Prof. Amrin Saragih, M.A., Ph.D. and Prof. Dr. Berlin Sibarani, M.Pd. Their responses and concerns, and the enormous amount she has learnt from discussing with them, led directly to this thesis.

She also recognizes and appreciates the significant advices, encouragements, robust critics and suggestions by board of reviewer members, Prof. Tina Mariany Arifin, M.A., Ph.D., Prof. Sri Minda Murni, and Dr. Eddy Setia, M. Ed., TESP.

Grateful acknowledge is given to Prof. Busmin Gurning, M.Pd., and Prof. Sri Minda Murni, MS. as the Head and Secretary of English Applied Study Program, as well Farid as the administration staff for completing the administrative procedures.

In addition, she would like to express her gratitude to lecturers in English Applied Study Program, whose valuable knowledge and instructions provided the easiness to complete this thesis. She must thank too, the librarians of the State University of Medan and Regional Library of North Sumatera, for lending her some useful books and other sources that are needed in writing this thesis.

It is with affection and appreciation that she acknowledges her indebtedness to her mother, Hj. Hubbi Harahap, BA. for her enthusiastic encouragement during the preparation of this thesis and for her motivation in finishing her study. She is also very grateful to her father, Dr. H. Hasan Mansur Nasution, MA., who initiated her into English Applied Linguistics Study Program Postgraduate School State University of Medan, to be better person.

She was particularly fortunate to have awesome siblings with their unique supports, M. Rasyid Ridho Nasution, SH., Zakiah Hasan Nasution, MA., M. Sa'id Ramadhan Nasution, M. Habiburrahman Nasution, and M. Ghazali Husein Nasution. May this supports them to be better than her. It is fitting as well that she acknowledges the supports provided by good friends of her, whose names are too much to tell. She hopes they will always proud of being part of her.

Finally, she is aware that nothing is perfect, as well this thesis. For that, any constructive criticisms, suggestions, or comments will be highly appreciated to bring this next to perfection.
