

## ACKNOWLEDGEMENTS

In the name of Allah, The Loving and The Merciful. The very first of all, the writer's endless and infinite gratitude is primarily expressed to Allah SWT as The Creator, for His blessing and mercy that the writer can finish this thesis. In addition, *shalawat* to the Prophet Muhammad SAW also must be delivered for his loving that all people can be out of the darkness into the lightness especially in education as experienced by the writer today.

The writer would like to convey her great gratitude to her thesis advisors, Dr. Sri Minda Murni, M.S and Dr. Siti Aisyah Ginting, M.Pd, for their great ideas, guidance and patience that lead the writer to the end of this thesis completion. She should also thank to the board of examiners Prof. Dr. Busmin Gurning, M.Pd, Prof. Dr. Lince Sihombing, M.Pd and Dr. Zainuddin, M.Hum for their constructive comments, suggestions, and valuable time in improving this thesis.

The writer also would like to extend her sincere gratitude to the Head of LTBI, UNIMED, Prof, Dr. Busmin Gurning, M.Pd and his staff, Farid, for their assistance regarding the administrative procedures. In addition, the writer would like to thank to all lecturers for their knowledge and character building during the process of teaching and learning at classes or outside.

At this opportunity, the writer also express her thanks to her husband Juandi and her children Salwa Aisyah Fitri, Ahmad Najib and Alifah zahra for their loves and understanding during the writer's time of studying and carrying out the thesis. The writer knows well that their rights as a husband and children

have been reduced because of the writer's activity, especially in conducting this research. Later, to the writer's father in law, Jumarik for his endless spirit and praying. The writer knows well how he always effort to give his attention for the writer's success in all of her life sides.

Finally, the writer realizes that this thesis is still far from being perfect. Therefore, she really appreciates all of the constructive critics for its improvement.
