

CHAPTER V

CONCLUSION AND SUGGESTIONS

A. Conclusion

After conducting the research, it could be drawn the conclusion of the present study which were designed to suit the objectives of the study. There is one objective in this study: to identify the strategies used by the English teachers in teaching speaking at SMK Mandiri. So, the researcher makes this following conclusion:

There were two teachers as the data. The first teacher applied three strategies, they were (1) use the group work, (2) give some intructions or training in discussion skills, (3) keep students to speak the target language. Meanwhile, the second teacher applied two strategies; they were (1) base activity on easy language and (2) keep students to speak the target language.

B. Suggestions

In relation to the conclusion, some suggestions related to this study were presented as follows:

1. For the English teachers

The English teachers are suggested to select the appropriate teaching strategies and create various strategies in teaching speaking to be implemented; therefore the teaching goals could be achieved.

2. For the students

The students should have self confidence when they speak English without worrying their mistake and more active in teaching learning process.
