

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1. Conclusions

After data analysis was conducted in chapter IV, below are the conclusions:

- (1) There are 32 verses contain of metaphorical words and utterances in Sura *Ali Imran*. Those metaphorical words and utterances belong to two different kinds, they are explicit and implicit metaphor.
- (2) There are several functions of metaphor as the construction of Halliday three metafunction are used in Sura *Ali Imran*.
- (3) The reason why does the metaphor used in Sura *Ali Imran* is because of four contextual reasons as written in the previous chapter.

5.2. Suggestions

After stating the conclusion, the following are the suggestions:

1. It is suggested that the language teachers and lectures especially of the religious school can include the metaphor in Sura *Ali Imran* as the example in instructional process for the material of metaphor. It is done to introduce and deliver the message of the Sura, by the right meaning of the verse.
2. It is suggested to the researcher who want to get a further findings of metaphor in Al Qur'an make a research in more Surah. The research can bring the next findings of the metaphor in Al Qur'an. Since Al Qur'an has its own message and history, it is important to consult the *tafseer* book to confirm the analysis.
3. It is suggested for the people, for example *ustadz* and *ustadzah* to understand the meaning of the metaphorical verses of Sura *Ali Imran* in giving speech. It is because

the metaphorical verses has its own meaning that sometimes is different with the people's interpretation.
