Dear Dr. Ismail Sahin

Thanks for the information and Directions.

From the paper you submitted, there were 3 papers that underwent changes, namely the paper author Muharom, paper author Doris and the paper author Mursid.

here I attach the paper

Thank you

Dear Dr. Hartono,

Can the authors make changes with highlights and comment boxes on the document?

It is not clear which changes are made in the PDF files.

Also, we make some minor changes with the titles and contents to fit the papers into the journal scope and to make them get more citations with the general titles.

Thanks.

Dr. Sahin
