

ACKNOWLEDGEMENT

Bismillahirrahmanirrahim. Alhamdulillah, Praise is to Allah, the Almighty for His love and mercy in my life and His guidance and help until I finish my thesis with the title “The Influence of Virtual Laboratory Towards Students Procedural Knowledge and Self-Efficacy on DNA Extraction Experiment in the Biology Education Study Program at Universitas Negeri Medan”. This thesis is submitted in partial fulfillment of the requirements for the degree of Sarjana Pendidikan in Biology Education Study Program, Faculty of Mathematics and Natural Sciences (FMIPA), Universitas Negeri Medan (UNIMED). This thesis would not be completed without support, guidance, and suggestions from many parties.

First and foremost, this thesis is especially dedicated to my parents, Mr. Imran Ritonga and Mrs. Epi Julianti Siregar who have always supported my academic endeavors. They spent a lifetime on their knees, praying for me they love so dearly.

First and foremost, my appreciation goes to the Dean of FMIPA UNIMED, Prof. Dr. Fauziah Harahap, M.Si., the Head of Biology Department, Dr. Hasruddin M.Pd., and the Coordinator of the Bilingual Program, Dr. Ely Djulia, M.Pd. Foremost, I would like to express my sincere gratitude to my thesis supervisor Wasis Wuyung Wisnu Brata, M.Pd., who has supported me throughout my thesis with patience, motivation, enthusiasm, immense knowledge, and experience also full of love. Her guidance helps me to arrange and write this thesis.

Besides my thesis supervisor, I would like to thank the rest of my thesis examiners: Prof. Dr. rer. nat. Binari Manurung, M.Si., Dra. Martina Asiati Napitupulu, M.Sc., and Dr. Ely Djulia, M.Pd for their encouragement and insightful comments. My sincere thank has also been given to my academic supervisor Prof. Dr. rer. nat. Binari Manurung, M.Si., for his guidance during Biology major class.

My enormous appreciation to Dr. Diky Setya Diningrat, M.Si, as Biology Molecular lecturer for allowing using his class during my research and to all students in PSPB E 2019 for their participation in my research sample.

Additional thanks go to all who pray and support me in various ways that everybody has shown me for the completion of my thesis, especially those who

already spent their precious time to help me to finish this thesis. May this thesis can contribute to improving the quality of education in this country.
