

ACKNOWLEDGEMENT

First and foremost, praise and gratitude to Allah SWT the Almighty for all the wonderful things so that the writer can accomplish her thesis as partial fulfillment of completing her studies. It is merely by His grace that always accompanies the writer so that she has the courage and strength to finish this thesis.

A major research project like this is never the work of anyone alone, but the support of many people, in which the contribution of them, in different ways, had made this possible. The writer hardly knows where to start expressing her gratitude, but several people deserve her sincere thanks.

Words cannot express my gratitude to my thesis advisers, Prof. **Amrin Saragih, M.A., Ph.D.**, and **Dr. Anni Holila Pulungan, M.Hum**, for the guidance, invaluable patience, and feedback on the improvement of this thesis. I also could not have undertaken this journey without my thesis advisers, who generously provided knowledge and expertise.

I also would like to thank the examiners, **Prof. Dr. Sumarsih, M.Pd**, **Dr. Meisuri, M.A**, and **Dr. Rahmad Husein, M.Ed** who is also the Head of English Applied Linguistics Study program, for their helpful comments, critics, and suggestions to improve this thesis.

My sincere gratitude goes to my beloved family, particularly my parents, **T.M Pardede** and **Siti Aisyah**, and my sister, **Desi Marisanty Pardede**. To my mom, thank you for the unconditional love, constant support, and prayers that keep me motivated and confident. To my dad (almarhum), even though you are not here,

your love will forever become my strength, and I would never be here without you two. To my sister, thank you for the love and prayers. I feel so grateful to have such a supportive family, the best prayers and support are so meant to me so that I would be at this point of my life today.

I would like to extend my sincere thanks to my best friend, my sister (not by blood), **Jihan Siska**, for her numerous and beneficial helps and also endless moral support. You have always stood behind me, and this was no exception. Without you, this journey would even be harder.

I am indebted also to several classmates in English Applied Linguistics Study Program. **Astari Rara Sandi**, for constantly listening to me rant and talking things out, for your encouraging and thoughtful words, suggestions, and comments have been very important to me. Also, my other classmates, **Fitri Anisah Sitorus**, **Anita Basrah Tambak**, and **Husnawati**, for providing me with their valuable suggestions, and for encouraging and supporting me whenever I needed them.

Lastly, many thanks to the secretariat staff at Post Graduate School, **Nurkholillah Harahap**, and the securities in the Rector's Bureau, **Maulana Hidayatullah** and **Afriyansyah** for their kind help and support during my thesis completion.
