

## ACKNOWLEDGEMENTS

First of all, the researcher would like to express the deepest gratitude to God for all his blessings, health, strength, spirit, guidance, protection, and opportunity that are given to her so that the researcher can complete this dissertation entitled Speech Function and presupposition in Indonesia Courtroom discourse. The researcher realizes that the dissertation cannot be completed without efforts, hard workings, supports, cooperation, help and encouragement from various parties. Therefore, the researcher would like to state the sincerest thanks and appreciation.

1. I really appreciate all the guidance, support, and value knowledge for my consultants: Prof. Dr. Sri. Minda Murni, M.S as the first consultant and Prof Tengku Silvana Sinar, M.A., Ph.D as the second consultant who have been patiently educated, directed, supported and given the researcher advices, suggestions, and recommendation for this dissertation from the beginning until the end of her dissertation.
2. I am very thankful for my examiners: Prof Dr. Berlin Sibarani, M.Pd, Prof Dr. Amrin Saragih M.A.,Ph.D and Prof Dr. Sumarsih, M.Pd who have examined, checked, and given the researcher suggestions, recommendations, and appreciation for this dissertation.
3. I am eternally grateful for everything taught by Prof Dr. Amrin Saragih M.A.,Ph.D. as the Chairperson of English Applied Linguistics Program Postgraduated School State University Medan.
4. Thank you very much to Prof. Dr Bornok Sinaga,M.Pd as the director of Doctoral Program Postgraduated School State University Medan.
5. I also dedicate my appreciation to the rector of Nommensen HKBP University and, Dr. Haposan Sialagan,SH.,MH and the Dean of the Faculty of Education and Teacher Training Dr. Mula Sigiro, Ph.D. as for his permission in writing this dissertation

completely. I appreciate everything you have done to me during my study in UNIMED. Furthermore, I thank to sir Prof. Dr. Ir Sabam Malau who had allowed and promoted me to get the scholarship from the campus to continue Doctoral program in UNIMED.

6. Special thanks to Mr Pahatar Simarmata, SH.,M.Hum, and Desmiar Manik, and Mr Morgan Simajuntak SH as the judge who had helped me to have an access of the data in the courtroom. It is unforgettable help and support for me for the experience to sit in and take data in the courtroom at covid 19 time because I sat and took the data at the risk situation to avoid spreading virus of Covid 19 in the world. Thank God I had been through it all.
7. All Lecturers in State University Medan. who can not be mentioned one by one for their education, guidance, knowledge, motivation, and inspiration during the study time.
8. Thanks to Mr Farid, Mr Agus, Ms Opi and Mr Setyadi and other staff of the administration for helping me in the administration at Doctoral Program of State University of Medan from the beginning class up to the final examination of dissertation.
9. Next is my deepest expression to my beloved husband, Pdt. Marduga Gultom M.Div, my two children Mikhaya Estela Gultom and Ivander Parotua Gultom with her parents ( my father Bedman Hutauruk and mother Artha Silalahi), my father in law St.Djapar Gultom and mother in law Demak Silitonga, my First brother Baginda Hutauruk and his wife Ros Magdalena Sitorus, Second brother Berlin Hutauruk and her sister Minar Romatua Hutauruk,S.Pd with her husband Holmes Simangunsong, my brother Aipda Antonius Hutauruk and sister in law Chronika Simatupang AM.Keb., for every their endless love, prayers, motivations, encouragements, moral lesson and financial supports.
10. The reseacher also express special thanks to sister Rina Octaviani Simarmata who always help and share the story of our dissertation everyday with tears and tons of encouragement until completing this dissertation. I could not forget everything of our past

experiences to reach this end. Then the researcher also thanks to her classmates in the Doctoral Study Program Rita Simatupang, Dumaris Silalahi, Anita Sitanggang, Harris, Toms, Syamsul, Toms and Mandra. Last is dedicated to my former students from English department Engelica Manurung who has help her to pick up the file from the judge in the courtroom at time pandmic covid 19.

Finally, the researcher also realizes that this dissertation is far for being perfect. Therefore, the researcher very receptive for any critics, comments and suggestions fr m all of the part of this dissertation And the researcher hopes this dissertation will give some beneficial information to the readers.
