

ABSTRAK

Rizki Setiawan, NIM : 7173144030, Analisis Prestasi Akademik Ditinjau Dari Keaktifan Berorganisasi Dan Minat Membaca Karya Ilmiah Pada Mahasiswa Pendidikan Administrasi Perkantoran Fakultas Ekonomi Universitas Negeri Medan Angkatan 2017, Skripsi, Jurusan Ekonomi, Program Studi Pendidikan Administrasi Perkantoran, Fakultas Ekonomi, Universitas Negeri Medan 2021.

Keaktifan berorganisasi dan minat membaca karya ilmiah memiliki pengaruh terhadap prestasi akademik seseorang. Semakin aktif seseorang dalam berorganisasi dan membaca karya ilmiah, maka semakin banyak pengetahuan dan pengalaman yang mereka dapatkan yang berdampak pada prestasi akademik mereka. Penelitian bertujuan untuk menganalisis adakah perbedaan prestasi akademik jika ditinjau dari keaktifan berorganisasi dan minat membaca karya ilmiah pada mahasiswa Universitas Negeri Medan 2017.

Penelitian ini dilakukan di Universitas Negeri Medan yang beralamat di Jalan Williém Iskandar Pasar V Medan Estate, populasi dalam penelitian ini sebanyak 93 orang. Teknik pengumpulan data dalam penelitian ini menggunakan observasi, dokumentasi dan angket. Teknik analisis data dalam penelitian ini menggunakan uji asumsi klasik dengan pengujian hipotesis menggunakan uji t.

Berdasarkan hasil analisis data, terdapat adanya perbedaan prestasi akademik jika ditinjau dari keaktifan berorganisasi mahasiswa Pendidikan Administrasi Perkantoran Stambuk 2017, berdasarkan hasil analisis data nilai Sig. sebesar 0,00 α (0,05). Terdapat adanya perbedaan prestasi akademik jika ditinjau dari minat membaca karya ilmiah mahasiswa Program Studi Pendidikan Administrasi Perkantoran Stambuk 2017, berdasarkan hasil analisis data nilai Sig. 0,00 α (0,05).

Mahasiswa yang aktif dalam mengikuti kegiatan berorganisasi harus tetap mampu mengikuti perkuliahan dengan baik dan menerapkan pengalaman yang mereka dapatkan dari organisasi kedalam pembelajaran di kelas serta mengembangkan wawasan dengan membaca berbagai karya tulis ilmiah, tidak hanya membaca karya ilmiah saja, namun juga memahami dan menerapkan dalam pembelajaran, karena selain membantu untuk menyelesaikan tugas perkuliahan, juga dapat meningkatkan kualitas seseorang.

Kata Kunci : Prestasi Akademik, Keaktifan Berorganisasi dan Minat Membaca Karya Ilmiah

ABSTRACT

Rizki Setiawan, NIM : 7173144030, Analysis of Academic Achievement in terms of Organizational Activity and Interest in Reading Scientific Papers in Office Administration Education Students, Faculty of Economics, State University of Medan Class of 2017, Thesis, Department of Economics, Office Administration Education Study Program, Faculty of Economics, Medan State University 2021.

The activeness of organizing and the interest in reading scientific work has an influence on a person's academic achievement. The more active a person is in organizing and reading scientific work, the more knowledge and experience they gain that has an impact on their academic achievement. The research aims to analyze whether there are differences in academic achievement if reviewed from the activeness of organizing and interest in reading scientific work in students of Universitas Negeri Medan 2017.

This research was conducted at Universitas Negeri Medan which is located at Jalan Williem Iskandar Pasar V Medan Estate, the population in this study was 93 people. The data collection techniques in this study use observation, documentation and questionnaires. The data analysis technique in this study used the classical assumption test with hypothesis testing using the t test.

Based on the results of data analysis, there are differences in academic achievement when viewed from the activeness of organizing office administration education students in 2017, based on the results of analysis of Sig value data. $0.00 \alpha (0.05)$. There is a difference in academic achievement when viewed from the interest in reading the scientific work of students of the Office Administration Education Study Program class of 2017, based on the results of analysis of Sig value data. $0,00 \alpha (0,05)$.

Data processing using SPSS version 25 shows that the test results with sig. Students who are active in participating in organizing activities must still be able to follow lectures well and apply the experience they get from organizations into learning in the classroom and develop insights by reading various scientific papers, not only reading scientific papers, but also understanding and applying in learning, because in addition to helping to complete lecture assignments, it can also improve the quality of a person.

Keywords: Academic Achievement, Organizational Activeness and Interest in Reading Scientific Papers
