7. Dr. Hermawan Syahputra, M.Si is an academic supervisor who has guided me, and provided motivation, and direction as long as I was in *Universitas Negeri Medan*.
8. Dr. Faiz Ahyaningsih, M.Si as a first examiner, Pardomuan Nauli J. Sinambela, M.Pd as a second examiner, and Sudianto Manullang, S.Si., M.Sc as a third examiner who has given many suggestions and constructive criticism to this thesis.

9. Ariffuddin, S.Pd as a headmaster of *SMP Negeri 3 Medan*, and Karnace Sirait as mathematics teacher of VII-J class and all of the students of VII-J who help me to finish my research.
10. The beloved ones I admire and respect, my parents that always supported me financially and mentally, especially when I was in the lowest and highest in my life. My brother Budi, Praja, and Alm. Zulfan Harahap, my sister Uni Rosi and Kak Nadia, my niece and nephew Rayya, Fauzan, and Alea. By the grace of Allah, we are together. Because of their constant prayers and support, the author finally got to this point.
11. Special for my best friend Muhammad Ashriza Nur, Rieke Hazryana Putri, Nadia Aulia, Sarah Sirait, Fitriana Akhwita, Nurul Annisyah, Nurul Mawaddah, Maimunah Nazmi, Riska Ainisyah, Emaus , Namira Masyitah, Febliani Fadillah, Syahrul, Gery, Maya Hasibuan, Nur Ainun, Annisah Anggita, Aulia Rizki, Hafizd, Taufik and Fadlan Isa Damanik who always understand, help, and support me to finish this research.
12. Special for my college buddies, Fadhilah, Putmal, Alwi, Daya, and Aziza who always hang out together and laugh at every moment even though that was not funny at all.
13. Special for all friends at HMI Komisariat FMIPA Unimed who have helped the author grow and develop, Doni, Fauzan, Cut, Reza, Fauziyyah, Nur, and all members of the KPP.
14. Special for my beloved friends in MESP 2018 and all participants who helped me in writing this thesis.
15. Last but not least, I wanna thank me for believing in me, I wanna thank me for doing all this hard work, I wanna thank me for having no days off, I wanna thank me for never quitting. I want to thank myself for trying to be sincere and survive until the end in this place. This place may not be a place that was expected at first but this place can be a stepping stone for the future.

May Allah SWT. Giving the best gift for every good that giving to me. Hopefully, this work is useful for many people.
