

## ACKNOWLEDGEMENT

Praise and gratitude the author goes to the presence of God Almighty for all His blessings and gifts that have given health and mercy to the author so that this thesis can be completed properly according to the planned time. This thesis entitled "The Effect Of Learning Approach On Student Achievement Of Class X On Ecosystem Topics" was proposed as one of the requirements to obtain a Bachelor's degree in Biology Education, Faculty of Mathematics and Natural Sciences, State University of Medan.

The author realizes that the preparation of this thesis could not be completed without the support of various parties, either directly or indirectly. On this occasion the author expresses his respect and gratitude to Prof. Dr. rer. nat. Binari Manurung, M.Sc. as a thesis supervisor who has provided a lot of guidance, motivation and suggestions to the author from the beginning of the research until the completion of the thesis writing. Thanks are given to:

1. Mr. Syarifuddin, M.Sc., Ph.D., Mrs. Dr. Aswarina Nasution, M.Pd, Dr. Syahmi Edi, M.Si. as an Examining Lecturer who has given many criticisms and suggestions for improvement starting from the proposal seminar to the thesis defense examination stage.
2. To Mr. Dr. Hasrudin, M. Pd. for their assistance in validating the research instrument.
3. Acknowledgments are conveyed to Mr. Dr. Hasrudin, M. Pd. as Academic Advisor who guides and motivates writers during lectures.
4. Acknowledgments are conveyed to Mr. Dr. Hasrudin, M.Pd. as the Head of the Department of Biology and all the Lecturers and Staff of the Department of Biology, Faculty of Mathematics and Natural Sciences, State University of Medan who have helped the author.
5. The author would like to thank Mrs. Reni Yosefa, S.Pd., M.Si. as the head of SMA Negeri 3 Bekasi and Mrs. Kirana S.Pd as a teacher in the field of biology studies who have helped the writer during the research.
6. In particular, the author would like to thank the late father, Januar Benefik Manalu, who has poured out love, prayers and support both morally and materially, as well as my beloved mother, Damaris Tobing, who has

always been the author's greatest motivation in completing his education at the State University of Medan.

7. The author would also give thanks to Families, they give support and a huge amount love, so the writer can finish writing the thesis.

The author realizes that this thesis still has weaknesses, for that the author expects constructive criticism and suggestions for the sake of this thesis. Finally, the author hopes that this thesis will provide benefits for all of us and become input for the world of education.

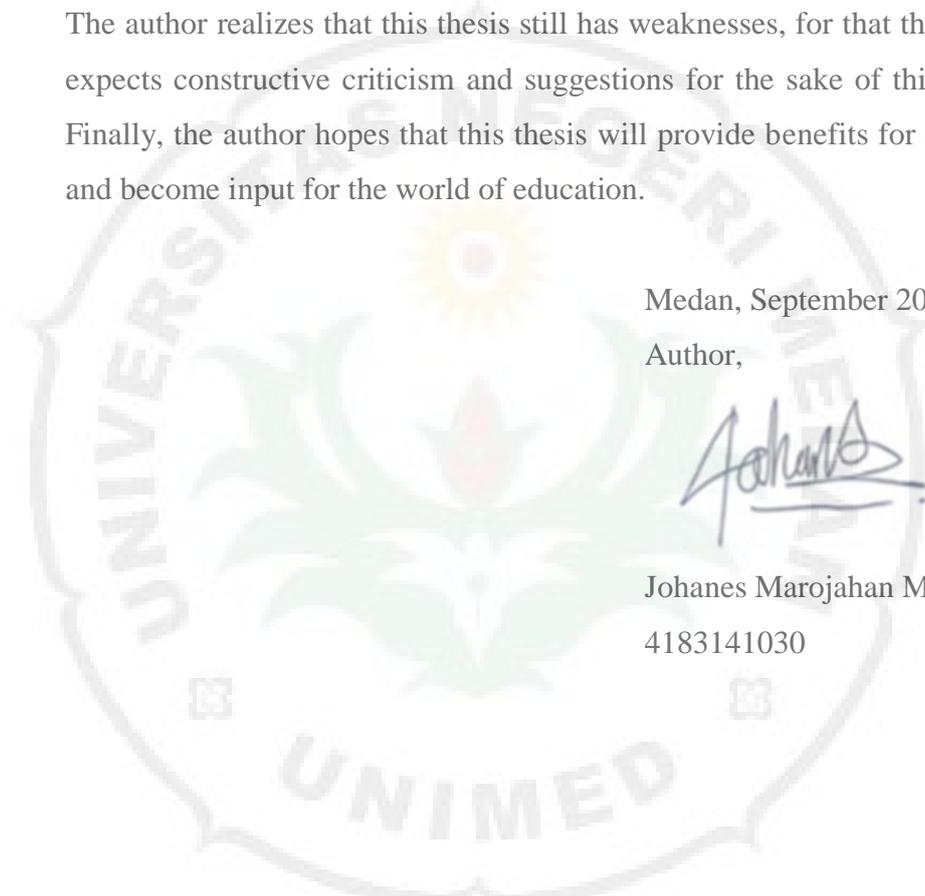

Medan, September 2022
