

PREFACE

Alhamdulillah, thanks to Allah SWT for all His graces and gifts that have given health and strength to the writer so that the writer can complete this final project entitled "Development of Learning Media Assisted by GeoGebra to Improve Students' Spatial Ability on Two-dimensional Shaped Topic". Sholawat and greetings are always offered to Rasulullah Muhammad SAW as our uswatun hasanah.

This thesis was prepared to fulfill the requirements in obtaining a Bachelor of Education degree at the Bilingual Mathematics Education Study Program, State University of Medan. On this occasion the author would like to thank, Prof. Dr. Edi Syahputra, M.Pd as the supervising lecturer who has provided knowledge, direction, guidance, motivation, advice and the availability of time in guiding from the beginning of writing to completion. Dr. Edy Surya, M.Pd. as an academic supervisor. The author also thanks Prof. Dr. Sahat Saragih, M.Pd., Mr. Dr. E. Elvis Napitupulu, M.S., and Mrs. Dr. Faiz Ahyaningsih, M.Si. as the examiner who has provided input, suggestions for the perfection of this thesis.

Don't forget to thank Mr. Kana Saputra S. S.Pd., M.Kom., and Mrs. Hanna Dewi Marina Hutabarat, S.Si., M.Sc., as instrument validators and media experts. The author also does not forget to thank the Principal of SMP Negeri 1 Labuhan Deli, Mr. H. Indrasyah Sitompul, S.Ag., MA. Along with his staff, his beloved mathematics teacher, Mrs. Endang Triwahyuni, M.Pd. who has allowed me and directed the writer while in the research school, as well as the students of class VIII-1 who have helped the writer a lot during the research.

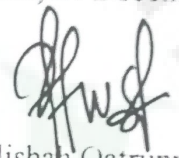

Special and infinite thanks to my beloved parents, Papa Armis Sutirta, SE and Mama Satia Novida for their endless prayers, support and encouragement. The authors also thank the two younger sisters, Qasthari Izzatil 'Ismah and Zahra Bintang Maharaini who always provide extraordinary enthusiasm and strength for the author.

The author would like to express his gratitude to his comrades in arms, namely all BILMATH 2016 friends who accompanied the lectures while at UNIMED, especially Atiqa Zikri Amalia and Cut Fadza Sadida, and Kiki Ambarwati, Cindy Fildza Lubis who have accompanied the author's journey until

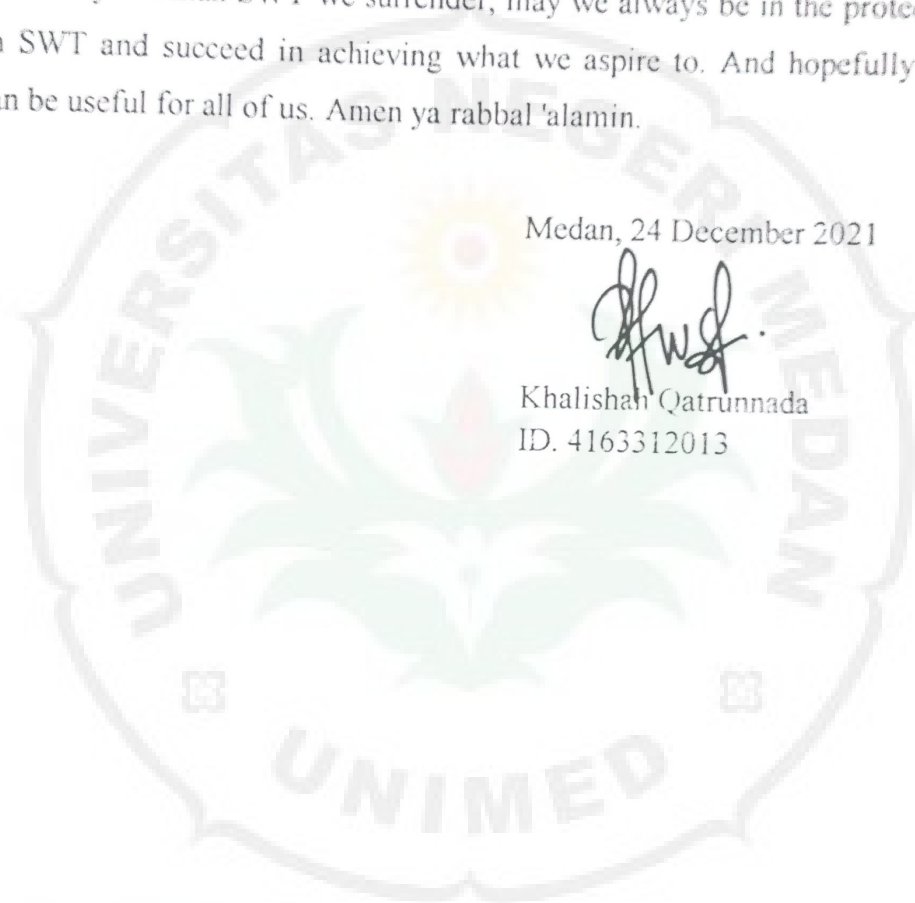

today and in the future. Also friends who are under the guidance of Alphiyani and Nadilla's thesis.

Realizing the limitations of the writer's knowledge, the writer expects suggestions and constructive criticism from various parties for the perfection of this thesis. Only to Allah SWT we surrender, may we always be in the protection of Allah SWT and succeed in achieving what we aspire to. And hopefully this thesis can be useful for all of us. Amen ya rabbal 'alamin.
