

ACKNOWLEDGEMENT

With the blessing of God, the writer has finally completed his thesis well. To a certain extent, much of this research is collaborative endeavor and he is very well aware of the contribution of many people who have been involved in his accomplishment of this thesis. He can hardly mention them one by one.

In particular, the writer is deeply indebted to his consultant Prof. D.P Tampubolon, Ph.D., who in his own distinct ways, keeps helping, advising, and encouraging him to finish his study, and Prof. Dr. Lince Sihombing, M.Pd., for her unflagging encouragement, supports, ideas, and friendly concern have strongly built up his motivation and curiosity to accomplish this work in due course.

He also expresses his great gratitude to Prof. Dr. Busmin Gurning, M.Pd., as the Head of English Applied Linguistics Study, Dr. Anni Holila Pulungan, M.Hum., as the secretary of English Applied Linguistics Study Program of State University of Medan and Farid as the officer for their administration assistance, so he can finish all the administration needed during the learning process and finishing this thesis. To all of lectures who have equipped him during the times of lecturing and finishing this thesis.

His special thanks to all of his examiners Prof. Amrin Saragih, Ph.D., Dr. Anni Holila Pulungan, M.Hum and Dr. I Wayan Dirgayasa Tangkas, M.Hum., for their correction, advice, guidance support and fair scoring to him in his green table exam.

His deepest love and gratitude will forever and ever be in his heart tendered to his parents, Mr. Lamasi Naibaho and Mrs. Sonti Naibaho Br. Aritonang, who are extremely important in his whole life that keeps on giving advice and giving love, and care. Though it seems impossible to meet them but they are always present in giving the inspiration to change his fate and destiny, and also who have supported him in finishing his education.

His special thanks are extended to Mr. Antonius Situmeang and Mrs. Lenny Situmeang Br. Naibaho for giving him permission and time to observe their child.

He also would like to express his gratitude to all of my classmates that he can hardly mention them one by one for their supports to him.

May God Bless Us in Happiness and Sorrow!!!

Medan, February 2012
