#### 5.2 Suggestions

Metaphor as part of language is often used both by ordinary people and educated people. Based on the purposes, metaphors can be used to inform, or to explain, even to refer to humor hence people understand the speakers' intension.

in this study, the writer limited to one of Talkshow program especially Hitam Putih talkshow. The writer would like to sugges three things as follow:

- (1) The students especially of linguistics should study semantic especially metaphors in order to find out the variation of metaphor based on its theme.
- (2) The lecturers who teach language, should provide a lot information in semantics field and discourse. In addition, they also should enrich it through translation because the metaphor is arbitrary.
- (3) For the other reserchers, the information of metaphor in Hitam Putih Talkshow is based on linguistic needs more extensive research from the other field to complete it.
