The following message is being delivered on behalf of International Journal of Evaluation and Research in Education (IJERE).

-- Authors must strictly follow the guidelines for authors at <http://iaescore.com/gfa/ijere.docx>

-- Number of minimum references is 30 sources (mainly journal articles) for research paper

-- and minimum 50 sources (mainly journal articles) for review paper

Dear Prof/Dr/Mr/Mrs: Bima Mustaqim,

It is my great pleasure to inform you that your paper entitled "The Effectiveness of Moodle Among Engineering Educator Students in Indonesia: An Innovative Teaching and Learning Online Platform During Pandemic Covid-19" is conditionally ACCEPTED and will be published on the International Journal of Evaluation and Research in Education (IJERE), a SCOPUS (<https://www.scopus.com/sourceid/21100934092> or <https://bit.ly/2Yyxtqr>) and ERIC (<https://bit.ly/2E18hDj>) indexed journal. Congratulations!

Please prepare your final camera-ready paper (in MS Word or LATEX file format) adheres to every detail of the guide of authors (MS Word: <http://iaescore.com/gfa/ijere.docx>, or <http://iaescore.com/gfa/ijere.rar> for LATEX file format), and check it for spelling/grammatical mistakes. Then you should upload your final paper to our online system (as "author version" under our decision, NOT as new submission).

You should submit your camera-ready paper (along with your payment receipt and similarity report by iThenticate/Turnitin that less than 20%) within 6 weeks.

I look forward to hearing from you.

Thank you

Best Regards,  
Dr. Lina Handayani

Please ensure that all references have been cited in your text. Each citation should be written in the order of appearance in the text in square brackets. For example, the first citation [1], the second citation [2], and the third and fourth citations [3,4]. When citing multiple sources at once, the preferred method is to list each number separately, in its own brackets.
