 Putri Cahaya Situmorang <putri.cahaya@usu.ac.id>
kepada editor@jppres.com, jppres12

Min, 16 Okt 2022, 23.55

Dear Editor
Journal of Pharmacy & Pharmacognosy Research (JPPRes) (ISSN 0719-4250)

Hereby, We send you our manuscript, entitled "Effect of Rhodomyrtus tomentosa to HIF1α and VEGF expressions on hypertension placental" in your esteemed journal as a Original Article.

It has not been published elsewhere and that it has not been submitted simultaneously for publication elsewhere. The state of the art in the study is hypertension decreases placental efficiency and increases HIF1α and VEGF expression in rats, and that Rhodomyrtus tomentosa treatment reduce HIF1α and VEGF expression from the serum and repairs the tissue of the placenta's labyrinth, basal, and yolk sacs. We affirm that the submission represents original work that has not been published previously and is not currently being considered or submitted to another journal until a decision has been made.

Title: Effect of Rhodomyrtus tomentosa to HIF1 α and VEGF expressions on hypertension placental

Dear Dr. Putri Cahaya Situmorang,

Your submission "Effect of Rhodomyrtus tomentosa to HIF1 α and VEGF expressions on hypertension placental" has been assigned manuscript number **JPPRes-22-1517**.

Please mention the above manuscript ID in all future correspondence or when calling the office for questions.

From this moment, if you have met all the requirements for submitting a manuscript to **JPPRes**, your manuscript will be handled by an Academic Editor to submit it to peer review. This process could take 5-8 weeks.

Thank you for submitting your work to the Journal of Pharmacy and Pharmacognosy Research.

Sincerely yours,
Prof. Gabino Garrido

NOTE:
English Language Editing: For editors and reviewers to accurately assess the work presented in your manuscript you need to ensure the English language is of sufficient quality to be understood. If you need help with writing in English you should consider:

- Asking a colleague who is a native English speaker to review your manuscript for clarity.
- Visiting the English language tutorial which covers the common mistakes when writing in English.
- Using a professional language editing service where editors will improve the English to ensure that your meaning is clear and identify problems that require your review.

Dear Authors,

Thank you for submitting your manuscript to the Journal of Pharmacy & Pharmacognosy Research.

Sorry, but we are not prepared to accept your manuscript for publication until you make the **required corrections**. Please, to see the following comments or corrections:

1.- See in the attached file the Reviewers' comments on the Manuscript. We hope you can make the corrections suggested by the reviewers and us to be able to accept your work as soon as possible.

Please send your revision by e-mail to JPPRes Editorial System for Journal of Pharmacy & Pharmacognosy Research:
editor@jppres.com or jppres12@gmail.com

Please note: Your revision will be due on **November 25, 2022**.

When submitting your revised paper, please include a separate document uploaded as "Response to Reviews", that carefully addresses the issues raised in the below comments, **point by point**. In order to perform this process, you can fill out the table below with the corrections.

When submitting your revised paper, you must include the following items:

Response to Reviewers (mandatory)

This should be a separate file labeled "**Response to Reviewers**" that carefully addresses, **point-by-point**, the issues raised in the comments appended below. You should also include a suitable rebuttal to any specific request for change that you have not made. Mention the page, paragraph, and line number of any revisions that are made. In the attached manuscript you should note, **in another color**, where changes have been made. **Please send this attached version of the manuscript (no other) with the required corrections.**

All articles in JPPRes are published in full open access. In order to provide free access to readers, and to cover the costs of peer review, copyediting, typesetting, long-term archiving, and journal management, **an article-processing charge (APC) of 750 USD (US Dollars) applies to papers accepted after peer review. We only accept payments by PayPal for now.**

Journal of Pharmacy & Pharmacognosy Research

Dear Authors,

It is a pleasure to accept your manuscript entitled "Effect of Rhodomyrtus tomentosa to HIF1 α and VEGF expressions on hypertension placental", as an Original Article, in its current form for publication in Journal of Pharmacy & Pharmacognosy Research.

The comments of the reviewers who referred your manuscript are included at the foot of this letter.

You will be contacted as soon as the author who should pay an article-processing charge (APC) of 750 USD (US Dollars) applies to papers accepted after peer review. This message will be received by you through PayPal.

After that, in a few days, you will receive the proofs in PDF of your manuscript for corrections.

Thank you for your submission and corrections.

We look forward to your continued contributions to the Journal.

Yours sincerely,
Gabino Garrido

Referees' comments for Authors:
There are some mistakes that could be solved during the editing process.
