Promote your works to boost your citation count. You may consider the following techniques:

- Use social media. Provide links to your papers on social media (e.g., Facebook, Twitter, Academia.edu, ResearchGate, Mendeley) and your university profile page.
 - Talk to other researchers about your paper, and email copies of your paper to researchers who may be interested.
- Create a blog or a website dedicated to your research and share it.
- Cite your own past papers as appropriate to increase visibility of your published papers.

Thank you again for publishing with us. We wish you the best success with your research.

Kind regards
