 Hello Rath,

Apologies for the late reply. We plan to publish your article in Volume 25, Issue 5 of the journal, however, I can not give an exact number for the order of your article as that is determined by the Editor's Note which is in progress currently. Upon publication, we will send out an email to all authors with links to the Issue where your article can be viewed. I can send an additional email to you with the exact link to your article if that is preferred.

Please let me know if I can provide any further information!

Sincerely,  
 T.A. Kelley

Dear Rath Baiduri & Elly Prihasti Wuriyani,  
Greetings! Here at the *Journal of International Women's Studies*, we have just finished copyediting your article "Women's Resistance to Batak Toba Umpasa from a Feminist Perspective." We have two queries on the document for your response—one concerns a missing citation and the other refers to your biographical notes. See the attached document with queries in the margins.

When responding to our queries, please use this copy of the article and **highlight any changes and additions that you make in yellow**. We also encourage you to review the article carefully to catch any inaccuracies before the piece goes to press in a few weeks, as it is difficult to make changes after it is published.

If you could return this document to us, highlighting any changes you made, by May 20, we would be happy to publish your article in our May/June issue of JIWS. Thank you for your time, and for sharing your excellent research with us.

Sincerely,  
Kim Davis
