

ACKNOWLEDGEMENT

Praise and gratitude the authors say to the presence of Allah Subhanallahu Wata'ala who has given His mercy, so that the writer can complete this thesis well. This thesis was prepared to fulfil several requirements needed to achieve a Bachelor of Education degree at the Chemistry Education Study Program, Faculty of Mathematics and Natural Sciences (FMIPA), Medan State University (UNIMED).

In the preparation of this thesis, the author received many invaluable inputs, directions, and encouragement from several parties. Therefore, with all humility, the researcher would like to express his deepest gratitude to:

1. Mr. Dr. Asep Wahyu Nugraha, M.Si as a thesis supervisor who has provided a lot of guidance, direction, advice, motivation and time to the author from the beginning of planning the proposal, research until the completion of this thesis writing.
2. Mr. Prof. Dr. Ramlan Silaban, M.Si as an academic supervisor who has given encouragement to the author.
3. Mr. Dr. Zainuddin Muchtar, M.Si, Mrs. Prof. Dr. Ida Duma Riris, M.Si, and Dr. Ayi Darmana, M.Si who has provided many inputs and suggestions for the perfection of the preparation of this thesis.
4. Mr. Dr. Ayi Darmana, M.Si as the head of the department and Dr. Zainuddin Muchtar, M.Si as the head of the chemical education study program.
5. Mrs. Prof. Dr, Retno Dwi Suyanti, M.Si and Mr. Haqqi Annazili Nasution, S.Pd., M.Pd as expert validators of test instruments and researcher questionnaire validators who have provided many inputs and suggestions for the perfection of test instruments and non-test instruments that researchers made .
6. All Mr. and Mrs. Lecturers of the Department of Chemistry, FMIPA UNIMED.
7. Mr. H. Irwansyah, MA as Principal of MAN 2 Model Medan, to Mrs. Dra. Jati Setiasih, M.Si, as a chemistry teacher and also to all teachers, staff and students who have been willing to help researchers during the research.
8. In particular, the researcher would like to express his deepest gratitude to the best parents as well as motivators. Mr. Irsan Rajo Hasibuan and Mrs. Siti

Juliani Br. Panjaitan who is willing to sacrifice and always supports and prays for the author.

9. My fellow researchers who always give encouragement, motivation, and always help researchers in completing this thesis.
10. All my friends who always provide motivation and assistance both in terms of material, morals and pray for the author.

The author has tried his best to complete the thesis which the author realizes that he still has many shortcomings, both in terms of content and grammar. Finally, the author hopes that this thesis can be useful for the author and for the reader to be used as input for the world of education in the future.
