

ACKNOWLEDGMENT

Praise and gratitude the author says to the Almighty God for His love and grace so that the author can complete this thesis entitled "**The Effect of Self-Efficacy and Social Support Toward Student Engagement on the Economics Subject with Academic Flow as the Intervening Variable for Students in SMA Negeri 1 Pancur Batu**".

This thesis was prepared to fulfill one of the requirements for obtaining a Bachelor of Education degree in the Department of Economics, Economics Education Study Program, Faculty of Economics, Universitas Negeri Medan.

In writing this thesis the author is inseparable from many difficulties and other obstacles in completing it. But with maximum guidance, effort and hard work, finally this thesis can be completed properly. Although the author is fully aware that in writing this thesis is still far from perfection. For this reason, the author really hope for constructive criticism and suggestions for the perfection of this thesis.

During the writing of this thesis the author received a lot of helps in the form of guidances and direction as well as prayers from various parties. So, on this occasion the author expresses her deepest gratitude to various parties who have supported and provided guidances and prayers to the author during the process of writing this thesis.

For that, the author thanks to:

1. Prof. Dr. Syamsul Gultom, S.KM., M.Kes as Rector of Universitas Negeri Medan.
2. Prof. Indra Maipita, M.Si., Ph.D as Dean of Faculty of Economics, Universitas Negeri Medan.
3. Dr. Eko Wahyu Nugrahadi, M.Si as Deputy Dean for Academic Affairs, Faculty of Economics, Universitas Negeri Medan.
4. Drs.Tauada Silalahi, M.Pd as Deputy Dean for Student Affairs, Faculty of Economics, Universitas Negeri Medan.
5. Ainul Mardhiyah,S.P.,M.Si as Head of Department of Economics, Faculty of Economics, Universitas Negeri Medan.
6. Dr.Muhammad Bukhori Dalimunthe, M.Si as Secretary of Department of Economics, Faculty of Economics, Universitas Negeri Medan and at the same time as my Supervisor who has given motivation for the author to be able to develop the research in this thesis in more innovative ways and methods so that it can provide more benefits for many people, as well as the support and direction given for the author so that this thesis can be completed properly by the author.
7. Dr. Khairuddin Ependi Tambunan, M.Si as Head of Department of Economic Education, Universitas Negeri Medan.
8. Dr. Arwansyah, M.Si as my Academic Advisor who has given motivation and guidance to the author.

9. My Lecturers of the Faculty of Economics who have provided knowledge during the author's studies and prepared the author to become an Agent of Change for the nation and state, especially in the world of education, also gave me the opportunity to participate in various researches.
10. Especially for my beloved parents, Mr. Putra Deli Agusta Sembiring and Mrs. Sri Marlina Br.Sitepu who have always been the best inspirator and motivator for the author, who are sincere and loving in providing moral and material support and prayers to the author so that this thesis can be completed and finished well. Thank you to their love and their support the author is at this point.
11. Thank you to my own self for being the strongest, the bravest for all the dreams. The author really proud of herself.
12. The author's siblings, my younger sister Regita Jose Fanny Sembiring and my younger brother, namely Juan Ivander Sembiring.
13. To my beloved Karo (grandmother) and the entire family of the author who is full of love and affection in providing support while the author is studying in college.
14. To beloved one, Rodeardo Purwana Saragih thank you for the love, support and enthusiasm always for the author.
15. To my bestfriends, Nur Halida and Neta Ayu Puspita Ledoh, who have loved to give their passion for the author.
16. For friends of the same frequency and the author's comrades in the world of research and competition. Thank you very much for the experiences

from national and international competitions that the author participated in during college so that the author can develop herself more productively, be open-minded and add insight.

17. For my classmates, Class A of Economics Education Study Program of 2019 for togetherness and positive competition during college times.

18. Thank you for Bank Indonesia Scholarship which has given the author the opportunity to become one of the Bank Indonesia scholarship awardee who have supported all the author's activities during college, both tuition assistance and self-development programs. The author is very grateful to be able to join GenBI (Generasi Baru Indonesia) especially for GenBI of Universitas Negeri Medan which has taught the author the meaning of togetherness, struggle, and dreams.

19. And all those who have given their support and prayers that the author can not mention one by one, thank you.

The author really hopes that this proposal can be useful for all parties. Last but not the least, the author would like to say thank you.

Medan, May 2023

Author,

Jessica Putri Br. Sembiring
