

## ACKNOWLEDGEMENT

Praise the Lord for the blessing of the All-Powerful Jesus Christ, who can give me health, strength, and tranquility. The writer would like to express his sincere gratitude to the thesis supervisor, Prof. Drs. Manihar Situmorang, M.Sc., Ph.D., for his expert knowledge, priceless guidance, persistent encouragement, patience, enthusiasm, and generous contribution of his valuable time to overseeing the thesis and carrying out this research. Additionally, the writer would like to express her gratitude to the writer's thesis examiners, Mrs. Dr. Sri Adelila Sari, S.Pd., M.Si, Mr. Feri Andi Syuhada, S.Pd., M.Pd, and Mrs. Dr. Iis Siti Jahro, M.Si for their tolerance, advice, support, and comments during the production of the writer's thesis. Also, a big thank you to the writer's academic advisor, Mrs. Dr. Ir. Nurfajriani, M.Si. The writer convey her profound gratitude and appreciation to all of the instructors and employees in the chemistry department at Universitas Negeri Medan. As a writer's validator in both media and instrument testing, the writer would like to thank Mrs. Elfrida Ginting, S.Si, M.Sc, Ph.D., Mr. Drs. Eddiyanto, Ph.D., and Mrs. Prof. Dr. Retno Dwi Suyanti, M.Si.

Especially, thank you so much to my beloved parents, Mr. Ir. G. Simbolon and Mrs. T. Hutauruk as the writer source inspiration who always give the writer love, encouragement, pray and support during study. And also thank you so much to my beloved sista, which is my elder sister, Nora Indriani, S,Si and my younger sister, Dinda Lestari that always give the writer inspiration, support, helping, motivation, suggestion especially love and pray. I love you so much papa, mama, kak indri and adek pudan. Thank you so much for all of your love and pray in all of writer's life in every condition until now. And also thank you so much for my big family, grandma, auntie, uncle, cousins for all of the motivation and pray. Also thank you to Kak Nurhetty for the suggestion and helping.

Finally, while the author has done this research to the best of her ability, she recognizes that there are still flaws and that it is not perfect. The author is very open

to all criticisms and suggestions for improving this thesis so that it can benefit education. Hopefully, this thesis will be beneficial to the advancement of education.
