

ABSTRACT

Parlaungan, Josua Dwi. Registration Number: 2163121029. Developing English Reading Materials in Cultural Tourism Report Text for Eleventh Grade Student of Tourism Vocational School. A Thesis. English Educational Program. State University of Medan.2022.

The purpose of this research was to develop English reading materials for eleventh grade student of tourism vocational school at SMK Imelda Medan. This research was conducted by using a Research and Development (R&D) design process which consists of six stages: gathering the data, need analysis, design materials, validating by experts, revising, and final product. The grade XI student's tourism study program of SMK Pariwisata Imelda Medan are the subject of this research. The data that used in this researcher were collected by conducting interview to the English teacher and questionnaires that were distributed to XI grade students. Questionnaires were distributed to 30 students to gather the students' need. The developed materials were validated by two experts using material validation instrument. The instrument that used by the experts was the questionnaires that adapted from BSNP. The first validator gave it a 91 percent score, while the second validator gave it a 92 percent score, indicating that it was relevant.
