17. Last but not least, I wanna thank myself, Dhea Anisah Putri, who has gone through various things in the process of completing this thesis. Thank you for conquering your thesis days. You're an amazing person for waking up every day and choosing to put to mind that you are capable, courageous, and wonderful. Please keep reminding yourself because that is the way you are. In the future, I hope your heart, your mind, and your individual independent self become stronger with each passing day. Even if you're tired, out of spirit, unmotivated, or sad, you must remember your dream and think of the woman you can become. With that, let me say that I'm proud of you. I am proud of what you have become and for what you will be. You have taken the steps forward and didn't give up.
18. Other parties that the author cannot mention one by one who helped the author in completing this thesis.
